RACE 2 — V5-1 — Auto 2140

2 Gotti makes an interesting debut under the saddle and will be ridden by Jonathan Carre. Matched in the V85, but is somewhat up and down. Contender. **6 Secret Bo** makes his first start in this discipline. Makes his third start for trainer Petter Lundberg. **8 Flying Fortress** was really nice in his debut for Paul Hagoort three races ago.

RACE 4 — V5-3 — Auto 2140

2 Amorcino has been consistent and good so far for Thomas Dalborg. Is a very quick starter and should take the lead. Once in that position the five-year-old will not be easy to pass. **1 Tarantino D.E.** is perhaps the one who has shown the best capacity so far, but there is a big risk that the horse will not hold the lead from here. In that case he needs some racing luck. **5 Fibonacci Font** is good for this class and has three runs under his belt after a long layoff. **7 Norah W.Boko** is consistent and good.

Owns good capacity for this class and if he improves he should be considered early. **6 Gaby Love Winner** is strong and tough and Sybille Tinter's stable uses to show fine form this time of year. **1 Pacefull** is coming more and more and is possible too without a mistake.

6 Laststarinheaven has been improved a lot for Troels Andersen. Should have a good chance regardless of journey. Our pick. **1 Denaro Diabolik** is in fine form and is good enough to be in the mix here. He should get a nice journey from this perfect starting position Should be considered early on. **7 Hallabaloo** wins often and continues to be in top form. Does not trot perfectly but should be followed. **10 Superstitious** is stepping down in class this time and will probably defeat many opponents at the end. Over-pace would be a plus.

4 Dancing Lane has shown really good form. She likes this distance and even if she doesn't find the lead, she should have a good chance here.**10 Mansell** is most likely the one with the best capacity in this field, but is returning after a layoff and his form is therefore hard to predict.**7 Scarlets Silvia** is fast but will probably find it hard to reach the front. Should not be discounted though. **12 Nunchita** has two wins in a row and been really strong. Is poorly drawn.
