R4 VINCENNES [L-H]

C1 - PRIX DE CONDAT - 2700m (a1m1/2) - - Mounted - EUR € 37,000

1. KELMONDO BOY - Runner-up in a Class E Apprentices' race over 2,700m here on 19 November, his first start in the discipline, and cannot be discounted

2. KENOBI D'HERFRAIE - Finished 12th, when preparing for this, in a 2625m Cherbourg Class E early this month. Is competitively-shod this time, but others still preferred

3. KING DE PLAY - Ran 6th in a Class F at Mauquenchy over 2,850m on 7 November but still has more to find

4. KASANGA - Fourth to KOREA (5) in a Class F at Mauquenchy over 2,850m on 7 November, three weeks after having won an Enghien Class E. Agathe Poulain gets the nod this time and must be taken seriously

5. KOREA - Sprang a 55-1 surprise when landing a Class F at Mauquenchy over 2,850m on 7 November. Reliability not her strong suit, but with form maintained, should not be underestimated

6. KHEOPS DORE - Runner-up to KOREA (5) in a Class F at Mauquenchy over 2,850m on 7 November, his first objective of the season, and in similar form, can again make the frame

7. KABALA QUICK - Ran 7th in a Class F at Mauquenchy over 2,850m on 7 November. Sports four pads this time, though, and can play a small role

8. KAMIKAZE - Disqualified, when being conditioned, in a harness Class F Amateurs' race at Mauquenchy over 2,850m on 18 November. Is confirmed with her apprentice and, despite the hike in category, looks a player

9. KEPHYR D'ESTE - Has not been seen since finishing third in a Class D at Saint-Malo over 2,950m on 5 August, but is patently in competition mode and can expect the lion's share of support

10. KHEOPS TURGOT - Finished 8th, when preparing for this, in a Class F Apprentices' race at Marseille Vivaux over 2,650m on 31 October. Is shod to preference and, given the chance, can make a big impact

Summary: Although absent since August, KEPHYR D'ESTE (9) faces opposition well within his capabilities and can get straight down to business. Back under the saddle, reconfigured, and terrifically engaged, KHEOPS TURGOT (10) will be dangerous if focused. KHEOPS DORE (6) showed his form at Mauquenchy and will attempt to turn the tables on KOREA (5) who had his measure that day.

C2 - PRIX DE BONNIEUX - 2100m (a1m1/4) - - Harness - EUR € 18,000

1. NOUMEA DES BROUETS - Unplaced in a Claimer at Enghien over 2,150m on 17 October. Has failed to make good on her early potential and will first need to reaffirm

2. NOVELISTA - Ran 6th on comeback in a Class D over 2,200m here on 17 November. Is clearly being prepared for a campaign in the other code, but with Eric Raffin reining, could well get her head in front

3. NEBBIO DU LIAMONE - Disqualified in last two starts, the latest a Claimer at Enghien over 2,150m on 17 October. Won a claimer across town earlier in the year though and should not be written off

4. NOSTALGIE DAIRPET - Excellent runner-up in a Claimer at Enghien over 2,150m on 17 October. Is plainly close to her race and, from the four slot, looks a player

5. NOBLE AVENUE - Finished 7th in a Claimer at Enghien over 2,150m on 17 October. Has otherwise been in good shape though and is well placed to make her presence felt

6. NORTH OF STATE - Got back in the winners' circle after winning a Class F at Saint Brieuc over 2,575m on 15 November. Sports four pads as he did that day, and Clément Duvaldestin gets the nod this time. Chance

7. NOGHERA COUNTESS - Unplaced, when being prepared for this, in a Class D over 2,700m here on 30 October. Is clearly in race-mode this time and from the front row can give this a good go

8. NEEDREAM - Finished 7th in a Class C over 2,850m of the inner course here on 17 September. Will be better suited to the main track and can start to set the record straight

9. NAPOLI DU BOUFFEY - Finished 6th in a Class C over 2,850m here on 15 September. Has not been seen out since and is unlikely to create an upset

10. NEVERS DE BELLANDE - Unplaced in a monté Class E over 2,200m here on 10 November. Starts on the second line, but will be no pushover if he replicates last month's run over the inner course

11. NOUCHKA ROYALE - Disqualified in last two starts, the latest a Class E over 2,200m here on 3 November. Has been out of sorts for some time and can be ignored

12. NOTTINGHAM PLACE - Finished 6th in a Class F at Graignes over 2,700m on 19 November. Ran third in his sole claiming start, however, and can get a look in if Franck Nivard successfully navigates the start

13. NEURO BELLA - Finished 6th in a Class D at Enghien over 2,150m on 25 October. Is an honest filly but still appears to have too much to do

14. NEWLIFE DE CAHOT - Unplaced in a Class F at Beaumont-De-Lomagne over 2,400m on 1 November. Is competitively-shod for just the second time, but still has no possible chance

15. NORTHFIELDS - Finished 6th in a Class F at Mauquenchy over 2,850m on 31 October. Is out of his depth in this company, and the draw will do him no favours

16. NARCISSE DE BLAY - Finished 3rd in a Class F at Caen over 2,450m on 14 November. Is capable on a good day, but has little going for him here and would be preferred at a lower level

Summary: Making her debut in the claiming category on her return to the harness code, NOVELISTA (2) has a realistic chance of winning this. Recent Saint-Brieuc winner NORTH OF STATE (6) is easy to like. NOSTALGIE DAIRPET (4) and NEEDREAM (8), both established and performant at this level, are hard to ignore.

C3 - PRIX DE SAINT-REMY LES CHEVREUSE - 2850m (a2m) - - Harness - EUR € 12,000

1. JACK SPARCK - Fifth in a Class F at Marseille-Borély over 3,000m on 14 November. Boasts excellent amateur credentials but races shod this time and will have other priorities

2. JACKPOT DE NILREM - Finished 7th in a Class G Amateurs' race at Chartres over 3,300m on 6 November. Races barefoot this time, but reliability not his strong suit and others preferred

3. JAG DU LIOT - Fifth in a Class F at Nort Sur Erdre over 3,100m on 10 August. Has not been seen out since and is going to need the race

4. JOY D'OURVILLE - Unplaced in a Class F Amateurs' race at Lisieux over 2,725m on 1 November. Has been out of sorts for the past 3 months and needs to get her house in order

5. JIVE BOY - Third in a Class F at Nancy over 2,600m on 15 November. A repeat, however, seems most unlikely

6. ICAM - Runner-up in a Class G Amateurs' race at La Capelle over 2,700m on 25 October. Has not got his head in front for the past year, but is always game and must be respected

7. JAGUAR DU DOLLAR - Third in a Class G Amateurs' race at La Capelle over 2,700m on 25 October, a fortnight after having run close at Victoria Park. Benefits from a front-row start here and should be able to hold his own

8. KRONOS ZEN - Disqualified in a Class E at Cherbourg over 2,625m on 1 November, having run third in a Class F at La Capelle the previous month, and on good behaviour can finish close

9. HAUGAIN - Ran 6th in a Class F Apprentices' race at Graignes over 2,700m on 21 November. Benefits from an excellent entry, sports four pads for the first time, but is still not an obvious choice

10. KINGMAN DELO - Finished 5th in a Class E at Cabourg over 2,750m on 3 October. Appears to be back on the right road, and even from the second line looks a respectable first-five chance

11. KAISER RIVER - Finished 13th, on comeback, in a Class F Amateurs' race at Mauquenchy over 2,850m on 18 November. Shoes on again and cannot be considered a priority

12. ICONE PLANCHETTE - Finished 6th in a Class E Amateurs' race over 2,100m here on 2 October. Has form when shod, but would be preferred barefoot

13. KASSIOPEIA - Ran 7th in a Class D over 2,700m here on 30 October. Takes a notable dip in category and, even from the back row, can win this

14. JOKER D'AMARO - Finished 7th in a monté Class E at Saint-Galmier over 2,650m on 3 November. Has nothing to prove under these conditions and should be considered a contender

15. JACADI BROUETS - Finished 10th in a monté Class D at Nantes over 3,000m on 4 November. Is no slouch under harness, but will stay shod, and others easier to support

16. KOQUERY DU BUISSON - Finished 8th in a Class D over 2,700m here on 20 November. Enjoys a good entry here and, in this company, can challenge for the win

Summary: KASSIOPEIA (13) and KOQUERY DU BUISSON (16) drop significantly in class here and could start to get back in the game. A tough nut to crack at this level, JOKER D'AMARO (14) will be expected to put in a good showing. Nicely-engaged on the front row, KRONOS ZEN (8) will not be far off the mark if focused, and the same caveat applies to KINGMAN DELO (10).

SELECTIONS

C4 - PRIX DES CAMPANULES - 2200m (a1m1/2) - Class D - Harness - EUR € 33,000

1. OPALE DE L'AVRE - Untried element that qualified in 1'19"2 at Caen on 20 May and is unlikely to shake things up

2. ODYSSEE DU FER - Finished 8th, on debut, in a Class F at Chartres over 2,300m on 6 November, and has a lot more to find

3. OSMOSE DU DIGEON - Disqualified in a Class C over 2,100m here on 19 November, but caught the eye nevertheless, and if behaved can start to make good on her promise

4. OTTAWA DES RIOULTS - Finished 7th in a Class F at Laval over 2,050m on 15 November. Has yet to show any particular flair for the game, and others easier to back

5. OASIS SIBEY - Disqualified in a Class D over 2,850m here on 13 November, 12 days after having debuted nicely at Chebourg, but looks a minor place prospect at best

6. ONDELA - Runner-up in a Class F at Cherbourg over 2,625m on 1 November, first time out. Will have come on for the run and even in this superior category can hold her own

7. OLBIA SPEED - Made a fine debut, finishing 2nd in a Class F at La Capelle over 2,000m on 11 November. Looks a good future prospect and has a decent chance of finishing in the mix

8. OLYMPE STORY - Won, on debut, a Class E at Bihorel Les Rouen over 2,500m on 4 October. Will only have improved for the race and a repeat is not entirely out of the question

9. OPALINE SPEED - Disqualified in a Class D over 2,850m on 13 November. Left quite the impression nevertheless, and will have this in the bag if her trainer-driver keeps her focused

10. OLYMPE DELO - Finished 3rd in a Class D over course and distance on 30 October. Has been learning her trade in very good order, and Eric Raffin can be understandably confident of another big performance

11. ONE MORE LIFE - Finished 7th in a Class D over 2,850m here on 13 November. Showed at Enghien that she was better than that, and the drop in trip maybe be just what the doctor ordered. First five

Summary: Promising winner on debut, OPALINE SPEED (9) showed her form despite being disqualified here earlier in the month, and with application, should be able to bring home the bacon. OLYMPE DELO (10), excellent in both starts to date, and OLYMPE STORY (8), winner in the provinces first time out, look her main rivals. OLBIA SPEED (7), runner-up on her debut two weeks ago, is also worth keeping an eye on.

C5 - PRIX DE BRICQUEBEC - 2850m (a2m) - Class C - Mounted - EUR € 46,000

1. NOSTALGIE D'OLMEN - Finished 4th in a harness Class D over 2,700m here on 30 October. Makes first public appearance under the saddle and will be dangerous if form transitions. Claim

2. NAYA REINA - Fifth in a harness Class D over 2,700m here on 30 October. Has never disappointed for her handler and, with four pads fitted, looks a serious proposition first time in the code

3. NAGINATA - Ran 7th in a Class D over 2,200m here on 17 November. Has done nothing of note in either code since last February and is unlikely to spice things up

4. NESTINA - Finished 3rd in a Class B over 2,700m here on 16 October. Looks a decent future prospect, should take well to the inner-course profile, and will be no soft touch

5. NUEVA DE VANDEL - Victorious in a Class E over 2,200m here on 13 November. Can prove a handful but is clearly at the top of her game, and must be respected

6. NOA BY STEED - Finished 5th in a Class D over 2,200m here on 17 November, having run second at Enghien three weeks earlier. Steps up in category but can still get a look in

7. NIGHT LILOMA - Starts for the first time since finishing 2nd in a Class C at Laval over 2,225m on 19 August. Boasts excellent monté references but runs the risk of being race-rusty and is not a priority this time around

8. NAYAMA BERRY - Disqualified in a Class A over 2,700m here on 20 September. Is untried over the day's distance, but has won over the inner course and can make amends

9. NASHIRA RUSCINO - Second in a Class D over 2,200m here on 17 November, her first public appearance in the discipline. A repeat, however, seems improbable

Summary: Respectively fourth and fifth in a harness race here on 30 October, NOSTALGIE D'OLMEN (1) and a newly-padded NAYA REINA (2) are worth considering first time under the saddle. NESTINA (4), who ran well over the main track last month, looks competitive once more, as does NUEVA DE VANDEL (5) who comfortably imposed here earlier in the month.

C6 - PRIX DE MAISONS-ALFORT - 2850m (a2m) - Class E - Harness - EUR € 35,000

1. NORA D'OLMEN - Ran 6th behind NIKITA DU POMMEAU (8) in a Class E over 2,850m here on 13 November. Has otherwise been in decent shape, will be reunited with Yoann Lebourgeois who won with her during the summer, but is still not a priority

2. NELEA MIP - Disqualified in a Class E over 2,200m here on 3 November. Showed form over the main track on her penultimate start and is not one to be overlooked

3. NORDIC GIRL - Disqualified in three of the last five starts, the latest a Class E over 2,200m here on 3 November. Gets a chance to race with pads this time and, with application, can set the record straight

4. NUTTY DREAM - Disqualified in 4 of last 6 starts, the latest a Class D at Enghien over 2,150m on 25 October. Is capable on a good day, though, and should not be written off

5. NIKITA DU PONT - Ran 7th in a Class E over 2,200m here on 3 November. Clearly has ample ability, and it is just a question of time before she starts to get back in the game. Attention

6. NELLY DE CLARAFLOR - Unplaced, on re-entry, in a Class D over 2,700m here on 30 October but still looks race-rusty

7. NICE FLASH SEMILLY - Finished 9th, on comeback, in a Class D at Enghien over 2,150m on 25 October. Is still in conditioning mode, though, and best to keep one's powder dry

8. NIKITA DU POMMEAU - Third in a Class E over course and distance on 13 November. Faces her first real test of the winter and will be expected to bring the fight to NORDIC GIRL (3)

9. NIKITA SLY - Has not been seen out since being disqualified in a Class D over 2,700m here on 22 September but may just need the run

10. NOUVELLE CHANCE - Got off the mark after comfortably winning a Class E at Laval over 2,850m on 7 November. Has been fitted with pads again and is not incapable of repeating

Summary: NORDIC GIRL (3) and NIKITA DU POMMEAU (8), both sporting four pads for the first time, have strong claims, as does NOUVELLE CHANCE (10), who won for Benjamin Rochard just 2.5 weeks ago. NIKITA DU PONT (5) is better than recent figures would suggest and should prove more competitive this time around.

SELECTIONS

C7 - PRIX DE LENTIGNY - 2200m (a1m1/2) - Class E - Mounted - EUR € 35,000

1. MEVOILA VIVANCIERE - Has been disqualified in 6 consecutive starts, the latest a Class E over 2,700m here on 10 November. Is more talented than most here, though, and on good behaviour, can finally lose her maiden tag

2. MONALISA CELO - Fifth in a Class E over 2,700m here on 10 November. Has taken well to her new vocation and is unlikely to return home empty-handed

3. MACOE - Excellent runner-up in a harness Class F at Mauquenchy over 2,150m on 7 November. Should be fully fit by now and debuts in the discipline with a realistic chance of imposing

4. MA ROSE DE SARTHE - Disqualified in a Class D over 2,700m here on 27 October, following a pair of decent performances in the provinces, and should not be written off

5. MONALYSA DU ROEN - Disqualified in last two starts, the latest a Class E at Laval over 2,850m on 7 November, and has no realistic chance

6. MATA HARI TURGOT - Tenacious winner of a Class F at Marseille Vivaux over 2,650m on 31 October. Debuts in the code with a leading jockey in the irons and is unlikely to disappoint

7. MANON BLONDE - Finished 2nd in a harness Class E at Graignes over 2,725m on 29 October. Has placed in two of last three monte starts, but takes on a better bunch this time, and chances appear limited

8. MODIG VIKING - Fifth in a Class E over 2,700m on 30 October. Has demonstrated decent aptitude for both disciplines and can pick up some more prizemoney

9. MADISON MATIDY - Ran 6th in a Class E over 2,700m here on 30 October, after having run third in a Laval Class E earlier in the month. Tends to go well for Guillaume Martin and can finish closer this time

10. MOMINETTE - Ran 7th in a Class E over 2,700m here on 30 October. Has looked very ordinary since July and can be passed over

Summary: In this open race, MEVOILA VIVANCIERE (1) is worth a speculative vote, as she has the ability to shine in this company, provided of course that she keeps her action together. Making their perspective monté debuts, MACOE (3) and a freshly-reconfigured MATA HARI TURGOT (6) are both capable giving this a good go, as is MADISON MATIDY (9) who thrives in this branch of the business.

SELECTIONS

C8 - PRIX DE BOURBON-LANCY - 2200m (a1m1/2) - Class E - Harness - EUR € 35,000

1. MYRTO DU MINON - Finished 4th in a Class F at Laval over 2,850m on 15 November. Faces a much stiffer test on this occasion, and even with Paul Ploquin in the bike, is unlikely to spring any surprises

2. MISS MAGIQUE - Won a Class E at Nantes over 2,275m on 25 October. Left quite the impression that day, and a similar performance would see her finish close once again

3. MISS FRANCE PIYA - Finished 6th in a Class E at Le Croisé-Laroche over 2,700m on 8 November, her first start for 4 months. Is plainly in competition-mode this time and, if sufficiently fit, should take all the beating

4. MADEMOISELLE JOLIE - Has been disqualified in 3 consecutive starts, the latest a Class E at Laval over 2,850m on 7 November. Is not devoid of ability, though, has previously won over the inner course, and must be afforded respect

5. MANDARINE TIVO - Finished 9th in a Class D over 2,700m here on 20 November. Barefoot and reunited with Benjamin Rochard for the occasion, should prove main threat to MISS FRANCE PIYA (3)

6. MANDARINE - Finished 6th in a Class E at Lyon-Parilly over 2,600m on 13 November. Appears to be some way off her summer form and others preferred

7. MAUNY DE PLAY - Fifth in a Class D over 2,700m here on 27 October. Will appreciate the shorter trip, but is still not an obvious choice

8. MIRA DE BAFFAIS - Finished 10th in a Class E at Laval over 2,850m on 7 November. Will have progressed for the race, and it is only a question of time before she loses her maiden status

9. MYRTILLE DE SEE - Successful in a Class E at Le Croisé-Laroche over 2,700m on 8 November. Is unlikely to repeat, but is unlikely to be sent out at 45-1 either

10. MERVEILLE DAB - Unplaced in a Class D over 2,700m here on 27 October. Has done nothing noteworthy since June 2025 and is unlikely to start now

11. MA DOUCE DE DALINE - Ran 6th in a Class E at Laval over 2,850m on 7 November. Is known more for her right-handed aptitude, but appears to be back on the right road and will be reunited with Mathieu Mottier who won with her at Caen earlier in the year

12. MORGANE DE HOERDT - Fifth in a Class E at Amiens over 2,400m on 12 November. Has never delivered here and can be confidently disregarded

13. MELLYNGA - Victorious in a Class F at Caen over 2,450m on 14 November, but would be preferred racing right-handed

14. MONIA VERDERIE - Successful in a Class E at Graignes over 2,725m on 29 October. Benefits from a good entry here but has no love for Vincennes and looks a minor place chance at best

Summary: MISS FRANCE PIYA (3) sports a fresh profile for her first objective of the winter and should be able to wrap this up if she takes to the Vincennes profile. MANDARINE TIVO (5) and MIRA DE BAFFAIS (8), both racing barefoot this time, can give her something to consider, as can MISS MAGIQUE (2) who most recently returned to the winners' enclosure at Nantes.
