5 Grimeford Lane uses to meet tougher opponents and should have a good chance if he handles these tough weight conditions. Our pick in that case. 3 Point Boy has done well behind Isidor Almqvist lately. Early challenger with a similar effort here. 7 Shepherd Gate handles these weight conditions and this task is perfect. Early contender. 1 Fabricio has shown good form lately and this 1600dt suits him well. Should be followed.

1 Bingo Mar did alright in the debut and was third a bit behind gifted Troubled Guy. Nice task today. Has to travel far and is certainly well prepared. Banker. 2 Animalinhereyes is well bred but the form is a question mark since the horse has not raced since the 2019 season in France. Possible if well prepared. 6 Honey's Delight faces quite easy conditions in this maiden race compared to earlier races. Outsider. 5 Bear Angel did alright in the last run. Should not be discounted with a similar effort.

2 Lushes Lashes comes from a strong effort over these conditions and was second and just closely defeated by Youonlyliveonce. Our pick with a similar effort. 3 Von Blucher got a defensive trip in the last amateur race and beat Perfect Girl Ester shortly before the finish. Early choice with a similar performance. 8 Beach Road One has two straight wins but faces tougher weight conditions too. Early choice anyway. 4 Augustus Caesar is on the way up and faces better weight conditions towards Beach Road One since their latest meeting.

3 Jetson has been improved in the last two starts. Perfect number and gifted jockey Andreas Tapia Dalbark is very interesting. Our pick. 1 Iva Chance was heavily backed in the debut but did not convince. Should be improved by that race and is an early choice with this number one. 6 Wildfire comes from a good debut. Should be even better now and is an early contender here. 9 Our Princess did alright in the debut in Malmö. One out of many outsiders here.
