1 Max Håleryd has looked really nice lately and finished to a good second spot on Solvalla two starts back. Will soon score a victory. Our pick. 6 Edler has been improved and finished to a strong victory in the last run. He likes this long distance and could be hard to beat here. 4 Xanthis Daiquiri won in the lead a short while ago. Could reach the front again here and has to be considered. Was third in the last run and is in good form. 8 Digital Evolution would prefer quick pace here. Is slow but strong.

6 Snowden Still won comfortably in the lead in the debut and finished to a convincing victory in the last run. Looks better and better and should have top chance to win again here. 1 Georgia Am has also done everything right so far. Can open fast and is reliable. Score her victory in the lead. 5 Dragon Speed D.S. scored a sensational win in November but showed in the last run that it was not a coincidence. Is strong and can do it tough. 8 Hulk Marke scored a tough win in the last run after an early attack to the position outside of the leader.

1 Amazing Sensation is good for this class. Has got a new trainer before this comeback and could be improved. Nice task here. 5 Janssons Frestelse uses to reach a nice position in the front when she starts directly behind the gate. Was brave in the lead in the last run. 3 Bellis Frontline have we been waiting for and the form is a lot better than the latest results show. Got locked in two starts back. 10 Isan is good when she shows the right attitude. She uses to meet tougher opponents. The Crebas stable is on the way up.

7 Bat Marke finished well to second two starts back and in the last run he got locked in against tough opponents. Can open fast and will certainly get an offensive trip here. Our winner. 2 Solkattens Daizy is in good shape and has put in several good efforts lately. Is driven by Rikard N Skoglund again and the main challenger here. 8 Askö Winn finished to second in the last run and is in good form too. Could get a tough journey with this number but is an outsider. 10 Qixi Roc scored his first win in the last run and that was well deserved. Back row draw now and needs some racing luck.

11 Marcos Gallon is a Finnish horse with a good reputation. In the last Swedish debut he scored an impressive win after tough pace in the lead. Different trip now with this back row draw. Our pick. 2 Rapido S.W. won in the lead in the last run and Jorma Kontio will certainly try to repeat that effort here over these nice conditions. 1 Desavi D. has been consistent and good lately but has not won lately despite a couple of good efforts. Perfect conditions here and should be followed. 8 Raj's Oh Lord should be improved by the latest run.

6 Barry Wadd has looked great lately and two starts back in the V75 he was really brave after a mistake and a fast finish. Never got a real chance in the last race and we forget that one. 12 Milord can finish strongly and is possible here if the favorite would fail. Comes from victory and looked nice. 5 Ricke is good for this class and makes his debut here for Åke Lindblom. Warning. 14 Je t'Aime Explosiv has one run under his belt now. He has good capacity for this class.
