5 Kid Arc is coming off a nice win from the lead. Is well drawn here and will of course try to lead this from start to finish again. Good chance. **8 Klaas B.R.** has been very consistent and good towards the end. Poor draw though and needs some luck from here. Challenger. **7 Kluivert Boko** was third in the last race behind Kid Arc and has improved a lot. Has a bit of a poor lane but could be a contender for a place bet. **4 Llewellyn West** may not be as good as the favorites but he can also take a place.

12 Zevs Down won straight away in his debut for Marius Höitomt in the last race. He took the lead then but has a completely different lane this time. Our idea anyway. **4 Southern Volo** came back after a long layoff in the last race and finished second directly. Has a much better lane than the favorite and can take the lead. Challenger. **6 Let Your Love Flow** is getting better and better and should not be forgotten here. Contender. **5 Cheeky Deacon** has not scored a place yet but been quite consistent and could at least take a place here.

8 Trö Eika has four wins and three second places in eight starts. Comes from several good efforts and has a good task here. Our idea. **5 Valle Fia** is back after a break. Wasn't at his best last time but been responsible for many good performances before that. Early challenger. **11 Ellvåk** won three out of five races last year. Was really good last time and hopes for some pace in the lead. **4 Valle Ida** has three wins in 14 starts and is not bad at all. Could surprise behind our favorite duo.

6 Björn Björksson is the big favorite here. He has three wins in a row and should have a good chance. However, he faces a couple of strong opponents. **2 Nord Aege** wins often and sprinted to a good victory in the last race. Will face better horses this time but should be considered early. **3 Smedsjur** had a good season last year and is consistent. Hopes for high pace and should not be overlooked. **8 Ramstad Stjernen** has done very well at the end but needs some luck from this tricky lane.

6 Filly's Domestros has started really well and is coming off a nice win. Can take the lead but is not dependent on it. Good chance. **3 Brostile R.** is also really good although he does not always show it. Early choice behind the favorite. **4 Get Going** took a good win two starts back and will probably go for the front here. Should be considered early from there. **11 Dirty Shirley** galloped in the last race but showed nice speed afterwards. Scored a good victory two races ago and is at least an outsider from this lane.

1 Hage Balder comes from two very nice wins. Won easily in the last race and should have top chance of reaching the lead here. All the way! **2 Åse Marve** galloped on the way to a nice place in the last race and did really well as third two starts back. Could get a perfect trip behind the favorite here. **5 Tryll** doesn't win very often but was quite good last season and quite consistent. Place bet. **3 Ask Luna** is not that bad either and he can also fight for a place in this fairly open race behind the favorite.
