5 Ecco Elholm is our pick in this mediocre race. Was not at his best in the last run but did well in the starts back and should normally have a good chance to win. 7 Ecu Egedal galloped in the last run but did well in a couple of starts before that. With the right journey she is possible here. 3 Move It does not win very often but is certainly fast enough to fight for victory here.

3 Andante T.M. is promising and developing well. Is versatile and should have a good chance here. 2 Leia Diablo can open fast and is well drawn. Will go for the lead here. In that case she has a good chance to win. 4 Quita Futura has shown great form lately and scored two straight wins. Early contender again. 10 Ornellaia Cheri is driven by Eriksson again and should be followed.

9 La Grange won the last race under the saddle and chases a new victory here. Faces quite mediocre opponents and should have a good chance to win. 8 Global Takeover is fast and with the right journey he could be the strongest here despite this tricky number. 7 Pax likes this discipline and Jessica Pilenberg is a good jockey. Was third and improved in the last race and seems in good form. 3 Cool McQueen could find an early lead here. Has to be considered.

RACE 7, V64-4

Auto 2140

1 Egon T.B. was outstanding in the lead two starts back and finished strongly in the last run. Good chance here with a similar performance. 2 Falco Simoni has put in a couple of strong efforts lately and is in very good shape. Faces nice conditions here. Early choice. 7 Zoljon has been consistent and good lately but he has not won for a while now. Possible here. 12 Hercule de Sajan was not at his best in the last run but did well before that. Normally an early choice here.

RACE 8, V64-5

Auto 2140

7 Namanga Bo won five starts back and needs new racing points. Rick Ebbinge is nowadays a trainer in Sweden and he should have a good chance here. 5 Romero finished to a nice victory in the last run. Is good in the front too and should be considered early regardless the journey. 3 Look Håleryd has not impressed lately. When he is at his best he can match horses in the V75 though. Early contender here. 6 Emilion has been up and down so far in Sweden and the chances are not easy to predict.

2 **Haha Ha** opened fast in the last run but was interfered to a mistake after 100 meter. Could take revenge directly here. 6 **Bluehill's Wind** has galloped a lot lately and is not reliable. If improved she is good enough to win this. 10 **Nashy Håleryd** has been improved lately and is possible here. Needs some racing luck though with this number in the second line. 3 **Everest Laser** is very up and down. If he is at his best he will be in the mix here.
