**5 Global Billboard** faces quite tough conditions money-wise, but has the capacity to compete in another class. Usually does well immediately after a pause and should have the greatest chance of winning this race. **7 Kadabra Dream** finish well last time. Quick starter and should get a good position. Uses to sprint strongly and could win this race. **1 Kondor Dream** is strong and tough and even if he has not won over the long distance before, he should be counted early from a good starting lane. **8 Emilion** is consistent and good and should not be overlooked. Good form and could be in the mix.

**11 Red Pond's Luna** has scored two good wins in a row and although the opposition is now tougher than before, the mare should have a good chance of rounding the field. **6 Wilma Express** looked fine as locked in last time. She is under strong development and with the right defensive run, she will certainly fight for victory. **7 Västerbo Yes Box** galloped last time, but had done well before that. With some racing luck, the first victory of the career could come here. **12 Bear Expectation** has been at least third in his four starts and, even if he might need this race, he should be counted immediately after the pause.

**9 Önäs Spartacus** won easily last time and maintains his form. Now it's a short distance debut, but we don't see that as a minus - quite the opposite. Good chance. **4 Dats Tore** likes these conditions and should be counted immediately after a pause. Barefoot and the American bike are an advantage. **7 Win Together** has taken four of his five wins from the lead and should be counted from that position. **10 Liza Bore** can finish fast with the right journey from behind.

One of two who can win the race. **4 Sweet As Frosting** came back well last time after a mistake, but has mainly place chance here. **7 Norris** is in good form and could be in the mix again.

**12 Lexington Zon** galloped with 250 meter to go last time still fighting for victory. Faces quite easy opponents here and is our winner in an otherwise open race. **2 Margaritaville** finally galloped last time with the victory clear. Is in good form and can get revenge immediately. **5 Herkules Gertorp** held strongly from the lead second last time. Will go for the front again and leads the race for a long time. **1 Flight To Paris** has a nice starting lane and high pace would be an advantage.
