RACE 7 — V64-2 — Auto 2140

1 Erjon did alright from the front in a tough opening in the V75 last time. Full distance now is not an advantage, but barefoot this time and he will lead for a long time here. Gets another chance. **4 The Zätamustangen** was locked in with everything left behind Erjon when they last met in the V75. He is very a quick starter and has one run under his belt. **5 Cornerstone** was not fit last time but is working well now. **3 The Pirate** was beaten on the finish line last time. Has good capacity and is well drawn here.

RACE 8 — V64-4 — Volt 2140

1 Hage Hauken is developing well and has taken three wins in a short time and led throughout the last time. Favorite for the lead again and has a reasonable chance. **11 Eskils Stjerna** gave up from the lead last time but showed 27/800 meter as locked in the time before and has great speed resources. Speedy with the right trip from behind. **10 Deviljas Kloker** met really good horses last time, and Lilius has done really well lately and could be dangerous again. **5 Rosens Tulido** was close to our pick in January and is a quick starter.

4 Anastacia Broline met several of these opponents last time and decided nicely and quite easily from the back of the leader. Top form and quick starter. **6 Loulou Web** was the favorite in the race that our pick won last time and probably should have won from the lead. Gets another chance here. **9 Exactement** did well in the V75 last time. Easier now and interesting with the bike and a new bridle. **3 Nena Barosso** makes her debut for a new trainer and is possible even if the horse might need this race.
