9 Forspärla is our pick directly in this seasonal debut. She is one of best mares of the country and was close to Stjärnblomster second last. Perfect task here. **1 Fyrkrafts** just followed last Friday a bit behind the winner but did alright. He won from the front in the V75 with this lane one on Christmas Day and leads for a long time again. **2 Nygaards Solan** galloped in the middle of the race last Friday and did not like the track. **7 Storspjuber** has been ill but is capable and strong for a company like this.

15 Bollinger Bishop was at his best again last time and won from outside the leader. Difficult draw now but meets easier horses. Top chance. **2 Magical Survivor** has been brilliant this winter. He had three in a row last time when he got locked in with quite a lot of energy saved in the V75. Will go for the lead now! **1 Country Home** is used to good opponents but needed the race last time, galloped straight away then. **5 Backwood's Brandon** has three in a row in Finland and won easily in the lead last time.

9 Fructose has really shown high capacity for the class and scored many victories in a row. Last time, she was a bit fiery but came back really well after a gallop. Top chance in this mediocre field. **12 Västerbo LaCamilla** won easily from behind the leader two starts back but mostly followed the field last time. Here she belongs to the better and has to be counted. **13 Radiographicimage** finished fast from far back last time and is in good form. **4 Herkules LA** sprinted to a nice victory last time and is driven with a new bridle here.
