7 Messi B.R. has been very consistent and good at the end and is coming from victory. Is in good form and should have a good chance to win here. **6 Sweetwater** has only one win in 15 starts but comes from a second place behind Messi B.R. He is looking for revenge here and has a slightly better lane. **2 G.K. Desmond** won two races last year and is a little better than the latest results show. Good lane. Place bet. **1 S.K.'s Maharana** has not won yet after 18 attempts. Is quite consistent though and could score a place from here.

7 Terne Pil faces many handicaps but is clearly the best horse in this field and the eleven year old should have a good chance to pass all opponents. He is in top form and owns good speed. **2 Sundmin** won three races last year and had a pretty good season. Has a 60 meter lead towards our favourite and is the main contender. **5 Kringlers Tollef** is a little better than the latest results show and could be a contender for a place bet. **1 Anna Fra Skaråsen** has got a perfect lane and take a place with the right defensive trip.

5 Noravinn wasn't at her best last time but has had a break since then. She put in several good efforts last year and has a nice task here. Our idea. **4 Astriks** also returns after a layoff. Showed quite good speed as a 3-year-old and will be exciting to follow this season. Challenger. **3 Kolbu Jo** has not won after six races either. Has been quite consistent though and is an early choice in this field. **1 Lille Utah** has not won yet after 17 attempts but will probably get a nice trip from here and could surprise.

2 Linselus was fifth in the Norwegian Derby for fillies and mares last year and is really good for this company. However, she has not raced since September and might need this race. **3 Viggmin** won seven out of 14 races last year. Comes from a second place and should be improved by that run under the belt. Early challenger. **6 B.B. Pave Faks** is not reliable but has quite good speed and should not be completely forgotten behind our top duo. **1 Opseth Mjoll** hasn't won for a long time but has been quite consistent towards the end and he got a very nice lane.

3 Italy was fifth against better horses in the last race and has been consistent and good towards the end. Our pick in a fairly open race. **5 Eight Mile** won five races last year and is coming off a good third place. Is consistent and should be considered early. **9 Premium Tooma** scored a good win two starts back and is an early choice here with a similar effort. **4 Burmas King** is much better than the latest results show. Got locked in last time in his comeback and should be on the way up. Possible.

9 Bozeman wins very often and earned the most money last year. He is strong and comes from a nice win in the lead. Different lane now but our winner anyway. **2 Bangles** is ideally drawn. The trainer is optimistic and the horse can lead this from start to finish. **3 Lindytermingle** has three third places in a row. Has a nice number and should be considered early here. **1 Fighter Vang** is not that bad and could be at least a place bet from this lane.
