4 Mary Hotshot showed good form last time out at Eskilstuna and finished with some energy left. Better than the recent form suggests and can challenge the favorite.

1 Kent le Soleil showed improvement when finishing second last time out and could benefit from the inside post. Should be considered early in this race.

7 Ekebys Ia has been racing during the winter and has been matched against too tough competition. Dropping down in class here and should not be underestimated.

3 Rocket Boy opened fast to the lead last time out and looked to be in control. Got closely defeated but put in a nice performance and is on the way up. Nice task here. 9 Kent's Laddie performed well from a similar post position last time out at Solvalla, and the horse's finishing kick will be a weapon in this race too. 4 Broadway Frazer did the job outside the leader last time out and is a strong horse dropping down in class now. The horse would prefer fast pace. 5 Zanardi Grif was up and down last year but showed good potential. The horse has recharged the batteries and could be an outsider to watch.

Our winner in this open race. 3 M.T.Oliwer Twist has been showing good form, with a positive performance last time out and a favorable post position. Early contender. 4 It's Time recovered well from a mistake in the last race and with more frequent starts, the horse's form is likely to improve even further.
