4 Martimo Sjöhammar makes an exciting debut for Robert Bergh. The five-year-old has shown great potential for the previous trainer and is our winner here. **2 Timotejs Nina** had a nice season last year. Galloped in the seasonal debut, but is certainly better now. In the mix. **6 Babsans Bankir** has put in strong finishes lately and is in better form than the results show. **8 Utah Southwind** is consistent and good but has not won a race for a while. Benefits from high pace and should be considered early on.

1 Chiraz set a good time in the last race. Should the filly hold the lead, she has a good chance of winning, although she can win the race in other ways as well. **4 Haute Couture** finished well in the last race after a mistake from the start. The mare owns good speed for this company. **8 Deesse** comes back after a pause and even though the starting position is difficult, she is good enough to be in the mix. **2 Mado Darling** has three consecutive second places. She competes barefoot for the first time which is interesting.

2 Unripe Durian took the lead in his debut in the last race and won comfortably. Could reach the front again and from there he is the horse to beat. **3 Yagger Kemp** won easily two starts back and finished fourth in the last race. Good number and is one of several horses who can win this wide open race. **4 Hedda** has got two runs under his belt after a layoff and is starting to get closer to top form. In the mix. **5 Whysoserious** is getting better with every race and will soon take his first win.

7 Mindyourlove W.F. scored an impressive victory and the opposition is not tougher now so the mare should have top chance of winning this race. **9 S.G.Edison** has done well at the end and is in great form today - his first win of the year is coming soon. **8 Lancelot** was nice in the last race and had energy spared. Difficult starting position but shouldn't be completely discounted. **3 Massachusetts** is consistent and good, but does not win very often and is primarily a place bet.

1 Las Vegas Sisu has high potential but hasn't convinced lately. Could reach the front here and from that position the five-year-old has taken four of his five wins in total. **3 Assar Rapid** was really good three races ago when he won despite quite a tough journey. In the fight for victory. **10 Mackinac Bro** didn't show anything special in the comeback. Can do better than that and shouldn't be underestimated. **5 My Deal Is Sealed** has been improved several levels of late and is possible with a perfect journey.

7 Xanthis Kaliber is a quick starter and should have a good chance of reaching the front and both wins have been taken in that position. Good chance to lead the race all the way. **1 A Perfect Feeling** was fully approved in the comeback. Her form is probably improved a lot and she should be considered early. **10 Fama Victory** makes an exciting debut for Andreas Lövdal and should be followed despite this number and a layoff. **4 Asakura Face** is consistent, but has only one win in 25 starts. Place chance.
