**10 Stuve Skarp** is an incredibly nice horse who was superior in the seasonal debut. Even better now and normally passes all opponents if avoiding a mistake. Top chance. **9 Myrs Are** was also really good in his seasonal debut last time. He made a big mistake from the start but came back brilliantly. **2 Best Vind** did well in the last race behind a superior winner. Driven by the trainer now. **4 Sangviks Lynet** was brave from the lead in the last race and close to win. Fine form!

**7 Allegiant** is an exceptional horse who is heading towards Elitloppet. Should be better than in the last seasonal debut and this is the right distance. Towards an early front and top chance to win. **6 Icebreaker D.K.** is a great horse who won the seasonal debut in 1.09.9. Ready for the Copenhagen Cup. How is the tactical plan? **1 Xanthis Harvey** kept up the pace well in the last race in a tough company. Finds the lead initially and but gives it away to the favourite? Good chance of finishing second. **4 Drizzle** has quite good speed but the form is a question mark.

**11 Jerome Zet** is a capable horse who looked splendid last time when he won easily. Two runs under his belt now and Örjan Kihlström! **3 Fulmine Degli Dei** is really speedy but can probably do even better than last time even though he had to run outside of the leader. First barefoot? **5 Filip Code** has been up and down. Is new in the Gocciadoro stable and from a good number and with a top driver, he has to be considered. **1 Römossan** got locked in from behind the leader last time. Reaches the front now?
