2 Gordini Brick attacked early in the last race and won comfortably at the end. Nice task again here for the four-year-old. 3 Ivanhoe Jaam was close to win in the last run and the horse is on the way up. He will be in the mix here as well. 10 Great Winner galloped under attack with 250 meter to go in the last run and would otherwise have fought for victory. Contender. 1 Theycallmesixten was not at his best in the last run. Can do better and normally he handles this number.

1 Maharani Creation is our pick in this open race. Was unlucky in the last run and never found room at the end. Good chance if she does not get locked in. 8 Stommens Erik can open fast but this number is poor. Did not convince in the last run and the form is a question mark. 9 N.Y.King of theKop finished well in the last run from third on the outside. This number could suit him well and he has to be followed. 3 Hard Center is chasing the first victory. Could cause an upset with the right journey.

13 Crussi Dull is developing well and comes from a comfortable win in the lead. Has to attack from the back now but with some racing luck he has a good chance again. 8 Garli Kongen parked outside of the leader with 1300 meter to go in the last run and was brave. He is consistent and good and deserves a victory soon. 5 Brenne Rön is not reliable but has good form. Came back strongly after an early mistake in the last run and will challenge without a mistake. 4 Lykkje Cornelius set a new record in the last run and did well. Interesting number for a defensive journey. Outsider.
