2 Lumberjack Bros did well in the last seasonal debut. After an early lead he was never really threatened. Should be even better now. 4 Wings Level showed 11.5/800 from far back in the first start since November. Nice number behind the gate and early challenger. 5 Invader Am was not at his best in the last run but was second after a strong effort before that. Normally an early contender. 7 Prins Solero was second after a pause and improved. Outsider with the right journey.

1 Powerplay looked nice in the last run when he won in the lead without being empty. If he reaches the front here he could score a new victory. 2 Madagascar has been heavily backed in both races without winning. Should be on the way up and has to be considered again. 5 King Chaos got a tricky journey in the last run but scored a good victory after a layoff. If he handles this number two he is possible again. 11 Angel of Trix has good speed for this class when he is at his best. Outsider.

9 You to Tidy galloped at an early stage on Solvalla but came back well a bit behind the winner and showed good form. Without a mistake he has good chance here. 4 Charming Kronos resumes from a spell. She has shown good skills for this class and is an early contender directly with this number. 11 The Rocket has put in several strong efforts lately and comes from victory. Will defeat many opponents here with the right journey. 6 M.T.Penelope can open fast and won in the lead in the last run. Outsider.

12 John King Boko is interesting in this debut for Timo Nurmos. He has very good capacity for this class and should have a good chance directly here. 10 Al's Starlicious would have fought for a place in the last run if she had not galloped on the home stretch. She is not reliable but without an error she could score a place. 3 Tasherit has only one win in 38 starts but is consistent and good. She stands this long distance. 8 Mellby Helios was not empty when he galloped on the home stretch in the last run.

6 Joy Sisu got a tough journey on the outside in the last E3-heat and did alright. Won easily in the race before and looked nice. Our pick. 3 Lollo Trot has not won yet but met quite tough opponents on several occasions. Early contender here but needs some racing luck. 2 Global Dancer has galloped a lot lately. Is good when she avoids a mistake and should not be overlooked. 7 Ziva has met tough opponents. Place chance here but needs some luck with this number seven.

9 Mercenary was heavily backed in the last V75-race. Did alright but he can certainly do better than that. Scored three wins in a row before that. 10 Shiraz de Zeun was not at his best on February 19 and got a break after that. Kihlström is interesting and he should not be overlooked. 4 Jacara du Pont needed the last race after a longer pause. Has to be followed if he handles this number four. 1 Likeaboss resumes from a spell. Wins often and is well drawn.
