8 Ad Hoc competed in the Silver Division in the last run and met horses like Eddy West and Phoenix Photo. Easier opponents now and debut for a new trainer. Interesting. 2 NoLimitJimMit has scored all wins this year together with Micael Melander. The last three wins were scored in the lead. Nice number. 5 Lexington Tooma won after a nice defensive journey in March and he won in the lead in June. In the mix with the right trip. 6 Rossi Palema will get a new driver and should not be overlooked here.

9 Backegrabben wins often and has seven wins over the middle distance. He will try to score the first victory over the short distance. He came back well after a mistake in the last run and should have a good chance here. 8 Ros Faksen did well over the short distance in the last run and was second in the lead. Tricky number but he can open fast and will be dangerous with the right trip. 2 Espe Vilde has two wins the last months and is in good shape. Contender. 4 Färsta Vilma is an outsider if she avoids a mistake.

5 Mellby la won easily in the lead in Östersund last year. The second and third win she has scored after reaching the front after a while. Good chance in the lead. 13 Grappelli has won behind the gate this year and that starting method suits the horse well. He won easily in the last run and has to be considered. 10 Oneiric Ocelot did well from July last year and scored three wins in four starts. He comes from victory and is on the way up. 9 Livet de Lux should not be overlooked if she is as good as two starts back.
