4 Young Yack has been improved lately and here there are good chances to find the lead, a position he is undefeated in after five attempts. **2 Jacques Mearas** put in a strong final lap at Bjerke in the last race and won with plenty of energy left. The 6-year-old from Lövdal has shown enormous strength for this class and last time he showed that he is back in fine form. **5 Fly Top** has put in a couple of great performances lately, especially the last one. **7 Star Cash** held strongly last time and the Kolgjini stable is in great shape.

5 Pralines was the favorite to win Oaks last autumn but did not make it to the final very heavily backed. With the last run under her belt, she should be improved and from a nice lane she should reach a good position directly. **6 Ecurie Brodda** won her heat and was heavily backed in the Oaks but she galloped in the final. Strong seasonal debut and certainly even better now. **12 Undinia** has convinced this year and comes in good form all the way from Germany. **2 Artic Angel** has been matched in tough companies and should not be overlooked with the right trip.

6 Googoo Fairytale got a very tough race three wide until the last 1200 meter and never had a real chance. Put in a great effort though and Pihlström's promise has impressed a lot. He is strong and can do it tough. **3 Knoxville** had to open 07.8/500 in the last race but despite a tough start, he was able to win. Has great speed and is an early challenger. **2 Jonte Godiva** has high capacity but is not completely reliable. **4 Recycle Cash** is capable and finished 11.7/1000 last time a bit behind the winner.

9 Target Tile won an easy race last time but looked nice and had plenty of energy left. He has not been reliable but is starting to become more mature. **11 So Far So Good Zaz** has shown good capacity but has not really had continuity in his racing. Should be considered early in this company despite a long layoff. **10 Oliver Transs R** was good in the seasonal debut and with that run under his belt, he should be ready for victory with the right trip. **3 Lion's Roar** followed well after a tough start and could be in the mix if he is allowed to dictate the pace in the lead.

5 Marshal has developed well this year and was extremely strong from the first over during the Elitlopp weekend. Barefoot now and his form is probably a bit better than last time. **8 Gio Barosso** owns great capacity and should have a good chance to make it to the Derby final this autumn. He is not completely reliable but is an early contender despite this position. **2 Killer Rain** scored a great win three starts ago when he set a new record 1,10.5. **12 Facetime Dream** should not be discounted despite this seasonal debut and difficult conditions.
