3 Francesco Zet won Norrbottens Stora Pris in the last run and had energy left. Has 19 wins in 21 starts and earned almost 17 million SEK. Top chance. 1 Borups Victory found the lead with this number one when he visited Solvalla and won in March. Scored a splendid victory in Rättvik. 6 Sourire Frö was brave behind Borups Victory in the last run. Very consistent and good. In the mix again. 2 Seven Nation Army finished fast to second on Jägersro showing 08/700. Has not won yet this year.

3 Jikininki is our pick in this tricky race. He scored a strong second spot on Årjäng and should be on the way up. 6 Global Dependable started well last spring but was not as good after that. He resumes after a three month's break and should be followed. 11 Satine Rose scored this year's win in the lead. Is good from the back too and looks strong. Should defeat many opponents. 5 Makian Degato made one start for the new trainer in December and finished well then. Interesting seasonal debut and comeback here.

10 Mister Kabuki galloped directly in the last start. Parked outside of the leader then and was brave. He will soon score the first win of the year. 7 Katzenjammer is a nice three-year-old with two straight wins. Tricky number but will fight for victory. 5 Flotilla made it to an E3-final earlier this summer. Finished at 11-pace from far back in the last run. Should be considered quite early. 6 Loveislove Pellini has been improved in the last two starts and should not be overlooked with the right trip.

6 The Eagle comes from a heat and final the same evening. Won both races easily and looked nice even if the opponents were not that strong. Our pick. 2 Gloster Gladiator can do better than shown lately. Nice number and experienced and gifted driver. Should be considered early. 4 Ekas Zalming found the lead with this number in the last run and did alright. 500 meter longer distance now but should not be overlooked. 1 Baltimore Face has good skills but this number is tricky. We do not think he will reach the front here.

5 Coral Coger comes from victory in an E3-final after a strong finish from far back. Nice number and she is our pick here as well. 4 Larah Westwood comes from two straight wins in the lead. Will probably get an offensive start with this nice number. Will fight for victory. 7 Whoopsy Laday won despite an early mistake in Rättvik and finishing 12.5/1000. Tougher opponents now but she is on the way up. 11 Willa Explosive had energy left in the last E3-final. Will defeat many opponents in case of quick pace.

6 Florence is better than the latest results show. Never had a chance in the last heat to Stochampionatet but she faces easier opponents here. 11 Wonderful Tonight showed good strength and the right attitude when she won from outside the leader two starts back. Will defeat many opponents with the right trip. 5 Ektara parked outside of the leader in the last run and decided the race at the end. She is better drawn this time. Contender. 10 Rosemary Tile would prefer quick pace during the whole race. Should not be overlooked.
