2 Chelsea was just closely defeated as second last time. The filly opens fast and should have a good chance of reaching the front and from there she will not be easy to catch. **5 First For Me M.H.** held strongly from the lead in the last race. Could get an offensive start and go for the lead and in that case her chances of winning will increase. **9 Galaxy Love D.E.** did a good effort in the last race. Strong and can do it tough, but requires high pace over this short distance. **4 Hickory** is now making his first start over the short distance which is interesting.

7 Inlight W.F. has taken his only win so far at Vaggeryd and from the lead. Now he will probably go for that position again and from there he is the horse to beat. **1 Loaded T.G.** has not won so far in her career, having only won a third prize. Now the mare resumes from a short break and makes her debut for a new trainer, which is exciting. **5 Churchill Face** has only one qualification under his belt and the chances are of course hard to predict. **8 Suddenly Rich** is consistent but is still without a victory after eleven starts. Possible but needs some racing luck.

9 Julia Redmile Champ won her debut from the lead. Different conditions now, but she looked nice last time and should have the best chance to win this race. **2 Aegon J.W.** has done well in all three starts without taking a win and is definitely in the running for his first win. **6 Global Gaiety** has two runs under his belt and is in the mix with the right journey. **10 Salahdin** faces tough conditions but has shown nice speed and should be considered.

14 Mr Klister scored a good win in the last race and showed once again that he likes this discipline where he has won two out of five race. Is our pick despite this number. **8 Go Kyron Go** has shown that he likes to race under the saddle. Two of his four wins have been scored in this discipline and he is one of the better horses in the race. **2 Stark In The Dark** makes his debut under the saddle and is ridden by Jonathan Carre, which makes it even more interesting. **3 Havana Club Ice** makes his debut for a new trainer and for Sofia Adolfsson. The chances are hard to predict, but he should be considered.

1 Klang Shadow has a nice task here. Was brave two starts back and showed that she stands the long distance and likes to run in the lead. The horse to beat. **5 Bravo Balthastore** finished strongly in the last race and with that run under his belt he will be even sharper now. **2 Handsome Man** won from the pocket five starts ago and is aiming for the same position now. Challenger. **8 Armando Salazar** has not started in the circular start for a long time. Good for this class and could surprise without a mistake.

1 Flamenco Girl scored a good win in the last race and showed top form. Nice starting position and from the lead she is undefeated after four attempts. Good chance. **6 J.S.Camaro** won easily in the last race. Met quite mediocre horses but the impression was really good. **10 Arctic Dominant** kept up the pace well in the last race when he hadn't started for six months. Should not be overlooked despite this starting position. **11 Finndals Chasseur** has been in good form so far but needs both the right trip from behind and high pace to be in the mix.
