7 Global Crossroad was not empty when he galloped in the debut two starts back. Adielsson is interesting with this number. Our pick. **1 Patrick Tie** was not at his best in a couple of starts in June and resumes from a spell here. If he avoids a mistake he should be considered early. **2 On the Top Tooma** did alright in the lead in the debut. Should be improved by that run. **6 Derated Takeoff** is a daughter to Uncle Lasse and makes her debut here. Has to be followed directly.

Only mares again now and she should be considered. **4 Iceland Falls** has finished well lately without winning. Will soon score the second win of the year. **1 Up to Me** has been competing under the saddle lately. Will get a nice trip with this number and is an outsider.

8 Minnestads Ecuador is the best horse in this race but the form is a question mark since he has been a non-starter after the last race. Resumes from a spell but is our pick anyway. 3 Fighter has not raced for a while either. Put in several strong efforts this spring and is an early choice. 2 S.G.Sherman finished strongly from far back to victory two starts back. Should not be overlooked here with the right journey. 9 Fonda Boko is consistent and good. Chases the first win of the season and could score it here with the right defensive journey.
