8 Golden Dream M.E. won six races last year and has shown good form. Has taken one win and two second places and is our winner despite this draw. **9 Gold Ripasso** comes from a second place under the saddle. He earned a lot of money last year and has been most successful in this field this year. Has to be considered early of course. **10 Belfort Rags** took his first win of the year two starts back and faced a bit tougher opposition in the last race. Possible behind our top duo. **6 Papillon E.V.** is clearly better than the latest results show. Made a lot of money last year and has done well this season as well. Has a better lane than his main opponent too.

2 Skjegge Svarten is our pick in this cold-blooded race. Had full control from the lead in the last race and we think Jomar Blekkan goes for that position again. Good chance in that case. **4 Terne Pil** galloped as the big favorite in the last race and is looking for revenge. He took an easy win in mid-July and was only closely defeated in the race after. **8 Il Jerven** beat several of today's opponents in the last race but will not easily repeat that effort from this poor draw. However, he faces nice conditions and hopes for quick pace. **6 Storm Fax** got locked in too long from the pocket in the last race and was third behind Il Jerven and Terne Pil before that. Possible with the right trip.

10 Lazy Lane is a three-year-old filly who has shown good speed so far. Took three straight wins in June and July and finished well to a third place last time. With the right trip he should have a good chance. Possible banker. **9 Comedy** is a good challenger though. He won easily from the lead in the last race but has a different number this time. Has to be considered. **11 Elysian Face** took two wins in a row in May and June. Has been heavily backed lately but not really lived up to it. If he avoids a mistake he is an early choice. **2 Diggins** has a much better lane than his main rivals. Comes from a good second place in Östersund. A place bet.

3 Carat is our pick here. Never had a chance last time and got locked in at the end. Really good form before that and took a win and two second places. Good lane. **4 Eight Mile** is the logical challenger. Has already taken five wins this year and is coming off a win in a ridden race. Good draw and early choice. **9 Jerry BR** didn't race at all last year but has done quite well in his comeback this year. A bit tricky number but possible behind our top duo. **2 M.H. Daddy's Cash** took a sensational win at the beginning of August and should not be forgotten again from this nice lane.

4 Farsklars lost at the end as fourth last time but has otherwise had a really nice season. Is consistent and good and has beaten these horses before. Good lane. **1 Kolbu Typen** was third behind our pick in May and is looking for revenge. Was brave in the last race as second and has an excellent lane here. **2 Skjegge Rosa** took two wins in a row in June and July and is also well drawn. Early choice if she avoids a mistake. **8 Sjøvoll Svarten** was ahead of our pick in the last race but rarely wins and has got a bad starting position. Consistent and good and should not be overlooked here.

2 Premium Tooma is an early choice from this nice draw. Has shown good form of late and was only closely defeated as second in the last race. Looking for revenge. **1 Kvåles Corona** took two straight wins in July and from this top lane he should of course be considered very early. **4 Kvåles Tobin** has earned the most money this year and has been very consistent and good towards the end. He got a good starting position as well here. **7 Divine Superb** earned the most money last year. Seems in good form but needs a bit of luck from here. An outsider.
