10 Mojito Day fought well but got defeated in the lead in the last race by very gifted Niford Des Baux. Different number this time but good chance anyway. 7 Voltaire P.Hill did not convince in the debut for Emma E Johansson but has one run under his belt now. Tricky number though. 4 Ottens Filosof has not won for a while but is gifted and will soon score a new victory. 9 Playit Flax has got an interesting number and could reach a nice position directly despite this handicap.

2 Legend le Soleil is tricky from the start which was also the case in the last race but the horse could win anyway against easier opponents. Early choice without an error. 11 Digital Code kept up the pace well from outside the leader and was very brave despite the tough journey. Early choice despite this poor number. 6 Professor has scored both wins in the lead which he could reach again here. Early contender anyway. 1 Doris S. galloped directly in the last race and before that he did alright after a trip from the back.

1 Spartak Face got very closely defeated by Staro On The Rocks in the last race. Can open fast and will probably lead this from start to finish. 2 Ryssebo la Reine did not convince in the last race but scored a nice victory and second spot before that. She is fast enough to win this. 4 Artemide Zack is up and down and the chances are not easy to predict. Has good capacity though and she should be considered early. 6 Beluga West has done well lately without winning. Will normally fight for victory here.
