RACE 7, V64-2

Auto 2140

2 La Mauresque competed a lot in the V75 this spring and became tougher. Resumes from a spell now and faces nice conditions money-wise. Is well drawn too. Our pick. 7 Madame af Djupmyra came in second in the last race but got disqualified. Is in good shape and with the right journey she should be considered despite this number. 11 Sweet Cash S.W. comes from a race in the V75. Did not trot well then and galloped at the end. Is good enough to defeat many opponents here. 10 Sister of Mercy can finish fast with the right defensive journey.

RACE 8, V64-4

Volt 2140

9 Höstbo Elis galloped again in the last race. Seems in good shape though and scored a nice victory on August 12. Is strong and should have a good chance without an error. 4 Valle Hugo has galloped a lot lately. He won in the lead on Bollnäs three starts back. 7 Häsen Räsarn has not raced since April. Might need this one but the horse has good capacity for this class. 3 Månremus galloped in the last race already defeated. He has looked nice lately though and is an outsider here.

RACE 9, V64-6

Auto 2140

9 Fenix Brick is our pick here. The horse resumed from a spell in the last race and finished well after a late opening. Should be improved by that run and is our winner. 2 Match'em is the main challenger. Got a tough journey outside of the leader during the final lap in the last race and gave up at the end. 4 Jack and Ginger was too fiery in the lead in the last race and wasted a lot of energy. Early contender if he stays calmer now. 6 Nonstop All Over is in good form but he has won against easier opponents than these.
