RACE 1 — V65-1 — Auto 1640 — RANK

4 Robertsin came back after a very long layoff last time and won straight away. He will face a bit tougher opposition now but has a run under his belt and we believe he has a good chance. **6 Always on Time** has earned the most money in this race. Has not won yet after 17 starts this year but done alright. Has been locked in at the end. **1 Ecu de Mieloui** comes from a second place after a nice trip. Should get a good journey from here. Early choice. **5 Vitro Diablo** didn't win a race last year but has been consistent and good this season. Maybe not at his best last time though. Can open fast.

3 Björnum Rappen was third behind Byrting last time but faced a 20 meter handicap then. Much better task this time and good number. Our winner. **11 Benoni** has won two of four races and is coming off a comfortable victory in the lead. Different lane this time but an early choice nonetheless. **7 Byrting** has two straight wins but faces tougher conditions now than last time. Tricky number but should be considered. **12 Björli Lizzie** has been very consistent and good so far and should not be forgotten despite a poor lane.

RACE 3 — V65-3 — Auto 2140

RANK

8 Kaspian T. wins often and is one of the best horses in this race. However, he has a difficult lane and is coming back after a long layoff. Our pick anyway. **7 Thess Imas** won four out of five races last year. Not as successful this season but should be considered early in this field. However, he has been a scratch due to fever after the last race. **9 Hagebakkens Odin** won four of eleven races last year but has only one victory this season. Has put in two strong finishes at the end and is a contender. **10 Hå Kaisar** has earned the most money this year. Closely defeated as second in August and has galloped since then. At least an outsider.

RANK

9 Lilyhammer has won three out of seven races and was brave from outside the leader in a bigger race last time. Tricky number but still a good chance. **11 Blue Berry Hill** is coming off an easy win but that was in April. May need this race but is an early choice behind our winner. **6 Angel** came back after a very long layoff in the last race and finished to shared third spot from the lead. Run under his belt now and certainly improved. **8 Skinny Jeans** has not won yet after 19 starts but has been very consistent. Finished nicely to a third place in the last race.

RACE 5 — V65-5 — Auto 1640

3 Björli Bolt has a nice task here. He won easily from the lead in the last race and has a nice lane again. Good chance to win. Banker. **7 Björn Borksson** wins often and has earned the most money this year. Just kept up the pace last time but took several wins in a row this summer. Challenger. **5 Harkar** has not won for a while but has been matched in quite tough company. Good number. Has to be considered immediately after a short pause. **4 Björnum Argr** has won three of eleven races this year. Needed the last race after a layoff and should be better now. Outsider.

8 Fjellkos Borka has earned the most money this year. Tricky post but is consistent and with the right trip she will be in the fight for victory. **6 Arkimedes** is much better than the latest results show. Finished quickly in the last race to a fifth place and should be considered early in this company. **5 Tysvär Odd** has not been successful either lately. Has galloped towards the end but if he avoids a mistake he is possible from this good lane. **7 Hå Ella** scored a nice win in October and with a similar performance the horse can challenge.
