6 True Blue got a tough journey in the last V75-race but had scored a couple of very nice wins before that. Nice task here and hard to beat. 7 Arrivederci Face is good for this class but resumes from a longer spell now. Certainly not at his best yet but early challenger anyway. 5 Espanol is also good for this class and is interesting in this debut for a new trainer. Early contender. 4 Hvenhilda Quick has not impressed lately but likes to run in the front and is an outsider in that position.

4 Epicure D.E. galloped in the last run but has earlier shown good skills for this class and could find the lead here. Our pick. 5 Ottens Korall is a nice three-year-old too. Seemed on the way to a good result in the last run but galloped with 500 meter to go. Challenger. 2 Jewellery Smart has not impressed lately but scored two nice wins in a row this autumn and is ideally drawn here. 8 Nunchaku has got a poor number but has shown good form for a while and is in the mix again.

9 Oliver de Bos is very good for this class and was close to win in the last run after a strong finish. Should be even better now and has a good chance. 2 Luv Lois Schermer has earlier done well in Sweden and is interesting in this debut for Rick Ebbinge. Early challenger with this nice number. 5 Best of Jim has not convinced lately but has four wins this season and will be in the mix again. 6 Milles Goofy is not reliable but can open very fast and is interesting in the lead.

2 Gustav Simoni has put in many nice efforts this year and finished strongly in the last run. Our pick with this perfect number. 11 Staro Quentin was really good when he won in the last race on Jägersro. Poor number now but early contender with a similar effort. 5 I am Fredrik put in a very good performance from outside the leader in the last debut for a new trainer and came in second. Contender here. 8 Milles Tobin has galloped a lot lately but is gifted and should not be overlooked despite this number.

8 Deborah S.H. is tough and has shown good form this autumn. She met strong opponents in the last run but did alright. Nice task here. Our pick. 11 A Perfect Face has also very good skills and uses to meet tougher opponents. Has got a break before this race but is an early choice. 3 Every Day Elegant is a lot better than the latest results show and will be interesting to see with this nice number against older opponents. 9 Stenson might not be in great shape but has very good capacity and could get a nice defensive trip with this number.

8 Darwih Wise L. got defeated on the finish line in the last run but was brave after a quick opening. Very quick starter and could find the lead despite this number. Good chance. 1 Dogleg has met quite tough opponents lately and is well drawn here. Will fight for victory. 11 Jo Black got locked in with energy left in the last run and is a nice trotter who should be considered early in this company. Contender. 2 Pharagraf galloped directly in the last start but has had a strong season and should be followed here.
