2 Airborne found an early lead in the last race on Orkla and won easily. Has 14 wins in 30 starts. Nice number and good chance if he avoids a mistake. 7 Mister A. failed in the last run but had to open very fast then. Scored a couple of nice wins before that. 5 Kate River is better than she has shown lately. Was a non-starter a couple of weeks ago and the form is a question mark. Outsider. 4 Current Leader is better drawn now than for a long while. Should not be overlooked.

3 Give Me Five N.O. galloped in the first turn in the last run. Scored an outstanding win in the lead three starts back and he likes this distance. Has to race with shoes now. 9 Matteo de Veluwe won on Gävle in the last run and set a new track record. Is strong and an early challenger. 2 Ares has been up and down lately. Scored a very good win in the lead two starts back. Possible if he is at his best. 7 B.W.L.Fighter has not won yet this year but been consistent and good. It might soon be his turn.

6 Global Classified got a tough journey outside of the leader in the last run and was brave. Shoes that time so we know he handles it well. Our winner. 11 Final Whistle was beaten after a photo finish two starts back. He has been consistent and good and is an early challenger. 1 Brasco Brodde never found room from behind the leader in the last run and had energy left at the end. Chases the first win of the season. 9 Incase of Fire was very promising as a three-year-old. Interesting comeback here. Outsider.
