8 River Tooma gave up it at the end in the last race but was really nice the start before that when he finished 10.3/800. Good chance of winning if he repeats that effort. **2 Chevalier Indika** has not convinced at the end, but if he finds his form again for most of the year he has to be considered early. **3 Flys Popcorn** held strongly in the last race and is used to tougher opposition than what he faces here. **4 Casper Tribut** was good in the last comeback race. All six wins have been taken from the lead.

12 You To Awsome has done really well for a while. Tough starting position now, but the filly should still have the best chance to win. **6 Midnight Madness** did alright in his first race since May. Can open quickly and from the lead he is the horse to beat. **2 Who's Here** was interfered to a mistake in the last race. He was a bit slow then, but with that run, he is probably improved a lot to this race. **8 Bravo Antonia** is consistent and an early choice too with the right positions.

3 Olympic Sting did well in the last race, finishing second from the front. Now she is ready to take the lead again and once there she will not be easy to catch. **4 Hold Me Closer** is also a quick starter and has taken both wins from the lead. In the mix in that case. **5 Maker's Wall** **Ås** has not started since May and the chances are hard to predict. Good for this company and has to be followed. **11 Hip To Be Square** does well every time but is disadvantaged by this starting position.

12 Tesoro Unico has not competed for a while but if his form is close to what he has shown before he will not be easy to reach. Our pick. **11 Love You Brodda** is fast when she can save her speed. Doesn't win that often, but with the right trip from behind she has to be considered early. **3 Ramseas Ruler** did not convince in the last race. Can do much better than that and is normally in the fight for victory. **2 Hot Blaze** finally won in the last race after several nice efforts. Faces good conditions and could take another victory here.

He has been a scratch after that but is back on track now and looks to have a nice task here. **6 Muscle Will** won easily in the last race and has put in nice performances towards the end. Is the biggest challenger to our pick. **2 Wehadthemall** was really good during the spring, but then he ran barefoot and he is not as good with shoes. **1 Gliding Eagle** cannot hold the inner lane but is possible anyway with the right journey.

2 Quick Bo finished well from a hopeless draw in the last race. This starting position is nice and with a similar effort, he should have a good chance. **4 Michigan Bro** makes an interesting comeback as he hasn't started for two years. Good for this class and could win straight away. **9 Icon Mearas** has two wins in a row and even if he faces a bit tougher opposition now, the nine-year-old should not be underestimated. **5 Beauvoir** won easily in the last race and the impression was really nice, even though the opposition was not that tough,
