4 Georgia Am has been on the way up after a break and should be improved by the last two races. Led for a long while in the last run and faces similar opponents here. Nice task. 15 Takata scored two V75 wins last season and is really good for this company. The form is a question mark after a pause though. 7 Kicken V.O.P. showed good skills in the last run after an inside defensive trip. Outsider. 11 Bo Diddley has not convinced yet for the new trainer. Is good for this class.

Ridden race. 11 Sebastian Hall has done well in his comeback and put in several strong efforts this winter. He was brave and just closely defeated after an offensive trip in the last run. Good chance to take revenge directly here. 8 Star Advisor Joli is better than the latest results show. Faces easier opponents this time. 9 Linus Boy is gifted and galloped on the way to a good result in the last run. Could challenge the favorite. 3 Digital Promise has two straight wins in the front and could lead this for a long while too.

11 Young King is really good when he is at his best but he is up and down too. Comes from a great win in the lead and faces easier opponents now. Normally hard to beat. 8 M.T.Magic Dream is the main challenger. He is strong and can do it tough. 2 Vision Face put in a good effort over this distance in the last run and should be considered early here. Good number and Jepson. 3 FromHeaven Idzarda scored a sensational victory with a new driver in the last run. New top driver this time.

6 Excalibur Zet has not always shown his capacity but after the winter break the Reden trained four year old could be on the way up. Warning. 1 Jacky Crown makes her debut for Ole Johan Östre whose stable is in great shape. Interesting horse. Swedish debut. 12 Jan Alki got a trip from far back in the last seasonal debut and in the first race for a new trainer. Finished well to a second spot and has one run under his belt now. 5 Snowden Still has scored a couple of nice wins and has been consistent and good.

6 Annie Flame has looked nice for a while but she has been unlucky and had energy left at the end. She got a nice trip during the final lap in the last race and finished well to her first win. Could score a new victory here. 9 Erin Zet was quite good in her first season last year and is gifted for this class. Seasonal debut and the Reden stable has started really well after the winter break. 5 Whitelightrtrotter was not at her best in the last race but scored two good wins in a row before that. Possible if she is at her best. 12 Flavienne Lascaux has done well in her comeback. Without a mistake she will go around many opponents.
