6 Fönix Vang finished well to victory in December and has started this season with two new wins on Mantorp and Axevalla. Nice task here and top chance. 1 Antibes has three runs under his belt after a layoff and is the main challenger with this nice number. 4 Dats Pepito won for Carl Johan Jepson in November. Knows the horse well and with the right journey they will be in the mix. 3 Baron Muscles scored two second spots in December and came back well after a mistake to finish third in the last race on Axevalla.

8 Speedy K. is poorly drawn but he can open fast and is reliable. With the right journey he should have a good chance here. 6 Mayhem Mary is a quick starter and should reach a nice position directly. If he trots well he should be considered early in this company. 7 Mimmi Lane was third in the lead for the new trainer in the last run and she should be followed with that race under her belt. 2 Dante Frontline found room late in the last run fourth up and is good enough to be in the mix with this number.

10 **Calling Out** won easily in the debut and has always shown good speed for this class. Comes from the fourth victory ever and is our pick here. 3 **The Natural** gave up from outside the leader in the last run but scored a good outstanding win three starts back and if he is at his best he should be considered early. 2 **Bontoni Degato** has earlier won over the long distance and could get a nice journey with this number. 5 **Guiding Light** has two wins in the last five starts. He has shown that he can win over the long distance.

3 **Cassandra Ferm** has no less than seven wins. She finished fast to second in the last race on Axevalla and should have a good chance here. 2 **La Coquette Zon** won easily in November after a long break. If she is at her best again she will fight for victory. 4 **Mellby Invest** is better than the results show. Andreas Lövdal knows the horse well and they have earlier won together. 6 **Molly Avant** kept up the pace well to second spot in the last run and should not be overlooked.
