RANK

12 Tickettothemoon is clearly the best horse. Met tougher opposition last time but had three wins in a row before that. A bit tricky number now but should normally have a good chance to pass all opponents. **1 Sweetwater** has started quite well. Will now make his debut in Norway for a new trainer and has an exciting task here. **11 Corazon** is quite consistent and good but should normally find it hard to challenge the favorite. **8 Snap Attack** is a bit better than the latest results show and could be a contender behind our pick.

5 Noravinn was heavily backed in the debut but galloped on his way to a second place. Looking for revenge here. Good chance. **10 Ottar** won comfortably two starts back and finished nicely after a gallop last time. He is the main challenger without a mistake. **6 Alm Taran** has not won yet but is quite good for this class and is possible without an error. **9 Will Jahn** is quite consistent and if the favorites would fail he cannot be completely discounted.

4 Eddie Brogård has competed under the saddle recently and done quite well. He comes from a second place and faces quite easy horses here. **6 Fighter from Start** likes this discipline too and has been consistent and good at the end. Should be considered early. **1 Falling Feather** was second in this discipline two starts back and this number is interesting. **3 One for the Money** won at this track in October. Returns after a short layoff.

8 Holter Sjur won the last race and has got a short break after that. He faces tougher conditions now but gets the tip anyway in this low-class coldblooded race. **6 Anna fra Skaråsen** was second behind our pick in November but has galloped a bit since then. Is not reliable but has to be considered early. **2 Lin Kos** is good for this company but has not competed for three years (!) and his form is of course very hard to predict. **5 Rofstad Teddy** kept up the pace well as third in the last race and should not be overlooked here.

9 Gold Ripasso galloped in December but has otherwise impressed and taken many wins in the end. Meets quite easy opposition and should have top chance despite this number. **8 Papillon EV** is not bad at all but has often been defeated by Gold Ripasso. Chases revenge but this post is difficult. **1 K.G.H. Atlas** has been very consistent and good at the end and really deserves a win. Interesting draw this time. **2 Louis B.R.** has not lived up to the expectations at the end but has still done quite well and got locked in in the last race.

9 Viggmin has three wins in a row. Won very easily in the last race and beat several of today's opponents. Good chance with the right trip. **4 Lyseng Solen** earned the most money last year. Won a couple of races last autumn and has been consistent and good of late. **3 Fagn** was third behind Viggmin in the last race and is looking for revenge. He has a better draw than the favorite. **6 B.B. Tore K.** wasn't at his best last time but did well last autumn and took a couple of wins in a row.
