2 Solkattens Ture has won two straight races from the lead and is again the favorite for the front together with Ulf Ohlsson. Good chance from there. **8 Hankypanky Readler** has got a difficult lane but is an early choice. Has started his career well and is a challenger with the right trip. **1 Princess Märtha** comes from two good starts but has had a short layoff after that. Nice lane and early contender. **11 Prince A'lr** had energy left as sixth in the last race. He is poorly drawn and can only hope for a bit of pace in the lead. Then he should not overlooked here.

9 Guli Kasper has a tricky number and comes from a short break but should still have top chance here. He is clearly the best horse and will probably pass everyone. **3 Pröyzen** is a stable companion to our pick. He has not won yet after 14 attempts but has faced tougher opposition towards the end and could be on the way up. **4 Tegallo** took his first win in the last race in his 22nd start. Did well and seems in good form. Should be considered early on. **2 Klack Klöver** is one of three horses in this race trained by Joakim Reiser. Has been consistent towards the end and this number is good.

12 Hunting Sober gets the tip despite this difficult lane. The horse had a nice season for Daniel Wäjersten last year and he has done well now in two starts for Hanna Forslin. **8 Explosive Bi** took six wins last year. Was not at his best at the end of the season and will now return after a break. Tough draw but early choice. **3 I.D.Getgoing** is better than the latest results show and our favorite for the lead. Should be considered early in this open race. **7 Nemesis Divina** is quite consistent and good and can probably do a little better than shown at the end. Possible in this company.

11 Sjö Kosa gets the tip in this not too exciting cold-blood race. Is really good for this company and if he avoids a mistake, he has a good chance. **2 Nordprins** is also trained by Jan-Olov Persson. Is clearly better than the latest results show and has a good lane. Meets easier opponents than usual. **5 B.W.Jackpot** comes with many poor results in a row. However, he was really good last summer and took three straight wins. Is an early choice in this company. **1 Perle Trollan** is fast from the start and our favorite for the lead. Should not be overlooked from that position.
