RACE 1 — V4-1 — Auto 2140 — RANK

8 Jackpot Magic faces tough conditions but is in top form and should have a good chance despite this tricky number. Has won three in a row this year and will probably take his fourth victory here. **2 Ihop** won despite a gallop in the last race but has had a layoff since then. Nice draw and early challenger. **1 Kal El** has started quite well and put in several good efforts. He will probably get a good trip from here. **3 Herbert L M** did well last autumn but has had a break after the last race. A place bet.

2 Houdini Shadow is coming off a win and should have a good chance in this rather weak race. Can open fast and has a nice draw. A possible banker. **6 Keep Cool Cash** starts tight and competed as recently as Friday. Is good for this field and should be considered early on . **7 Innocence** won very surprisingly at this track in the last race. Early choice with a similar effort but has a poor lane. **5 Gurli Tinghöj** is of course very interesting in his debut for Flemming Jensen. However, the horse has not competed since October 2024.

He gets our pick. **1 Linus Of Sam** has no win yet after ten attempts but should be considered early in this company. Will probably get a good trip from this lane. **4 Keystone Flamingo** doesn't win very often either but apart from the last race, the horse has been quite consistent and good towards the end. Early choice. **2 La Liga** won despite a bad lane at Momarken in October. Is not reliable but has a nice number and is possible if he avoids a mistake.

10 Leo Wynn is not reliable but has really good speed for this company. If he avoids a mistake he has a good chance despite this number. **9 Levi Wynn** has scored three second spots in Sweden. He has put in several good performances but has had a pause. **6 Nobel B M** has taken six wins in 24 starts. Scored a sensational victory at Skive and won via the open stretch. Quick starter.
