**2 Symphonie Classic** faced a bit tougher horses last time but had scored several straight wins before that. Is in top form and has an excellent number behind the gate. Good chance. **1 Quantum Tile** is not that bad and has a good lane. Can open fast and lead this for a long time. **3 Customer As** is quite consistent and good but is returning after a longer layoff. Should not be overlooked. **8 Maybe Heaven** doesn't win very often but could be a place bet despite this number.

**2 Kvern Kvikk** is our pick in this tricky race. Took two straight wins last autumn and was fourth last time after a break. Run under his belt and excellent lane. **1 M.L.'s Rakkaren** was third ahead of our pick last time. He is in good form but has not won yet after 19 attempts. Good draw and early choice. **4 Nilli Vårberg** has one win in 20 starts but was third last time after a very long layoff. Should be on the way up. Interesting outsider. **7 Björnemyr Tix** is better than the latest results show and was not empty last time. Poor draw but cannot be discounted.

**8 Happy So Easy** made the most money last year and is our pick in this ridden race despite a difficult starting position. Is consistent and good. **7 Like A Mack** has previously beaten our winner and is an early challenger. This is also a good horse in this discipline. **6 Design Superb** has done well under the saddle. He rarely wins and is mostly a place bet here. **2 Peaceful Tile** is an experienced horse in this discipline who has been given an ideal starting number.

**8 Prinsesse Ness Tjo** is by far the most interesting horse tonight! She is a top horse who is now returning after a very long layoff. She is well prepared and normally she will win this. **7 Mr Hefner** earned the most money last year and seems in good form. Comes from victory and he is an early choice if the favorite is not at his best. **6 Skeie Oda** won five races last year and has been quite consistent and good at the end. A place bet. **5 Svidd Gummi** is not that bad either. If he avoids a mistake he can also score a place.

**5 Mi Bella** likes today's short distance and she is well drawn here. Our pick in a tricky race. **1 Spang Teira** won five races last year and earned the most money. Has a good lane and will probably get a nice trip. **8 Kuven Lennart** is not bad at all but of course needs a bit of luck from here. Warning. **4 Tjuagutt'n** was a big favorite in the last race and has had a pause since then. Will be exciting to follow in this comeback.

**2 It's Only Magic** has been very consistent and good towards the end and will be exciting to follow over today's short distance. Excellent lane and our winner. **1 Crowbar** is an early challenger. Comes from a win in a sprint race and will of course try to hold the lead from here. **3 Ossie Artist** has done really well under the saddle at the end and is interesting to see in this sulky race. Should not be overlooked. **9 Sing For Hope** won in the last race but has a tricky number this time. Needs some racing luck but is possible.
