11 Peaceful Day started his career brilliantly with four straight wins. His first loss came in the last start of 2025. Now the horse is back after a layoff and Katja Melkko uses to have her horses in good shape after a training break. Our pick. **6 Bearnie** won nicely in the last race and has an interesting starting position in the first circle. **8 Kipling Sautreuil** has quite good capacity but is far from reliable. **1 Fenwick Gene** is coming more and more.

5 Valentina has made four starts after a long layoff and been very consistent and good. Good chance to reach the front with Kontio and this number. Regardless of position, the mare should have a good chance. **9 Lime Lane** has shown good pace in the last three starts and won despite a tricky number three starts ago. **10 Fabulous Gent** has not started for a while. Is not reliable, but the capacity is high. **3 Jadwiga Zet** will be interesting to follow barefoot.

2 Likeaboss has shown very high capacity and the right attitude during his career. Now the horse returns after a three-year (!) break. Has a very nice task in this comeback and faces weak opposition for this class. **4 Kjella** has good basic ability, but has not convinced at all for Jörgen Westholm. A run under his belt now after a layoff. **3 Dostroevsky** is favored competing barefoot. **7 Livin High Sisu** is a contender too behind the favorite.

2 Lill Kagan was in a V85 final last time and did alright a bit behind the winner that time. Faces quite tough conditions, but in return the lane is good. Nice chance from the front - but has to be considered regardless. **5 Ditte Gel** runs barefoot and with an American bike, which is of course interesting. **4 Falcon** has galloped a lot so far. Has made two starts after a layoff and won in the last race. Early contender. **8 Moss Wood** is perhaps the strongest horse in this field and will benefit from this distance.

6 Michigan Bro has made half as many starts as the next horse, which says a lot about this race. Has two runs under his belt after a two-year break. Doesn't always trot perfectly, but has good speed and this lane is nice. **4 Never To Young** has not shown top form lately. Owns good capacity though. Early choice. **1 Babaris** faces nice conditions here with this inner lane. **9 Dark Roadster** is good for this company too.

RANK

1 Vida Roc had not raced for over three months before the last race when she finished fifth in a tougher field. She is a fast starter and the likely leader of the race. **2 Geisha Road Grif** is as good as our pick in terms of capacity, but risks a tougher journey. **3 Fiammetta Jet** is clearly favored from barefoot running. **6 Super Queen B.S.** has one run under her belt after a short layoff. Was a strong as second despite a gallop last time and will be improved by that run under her belt.
