## RANK

**8 Egram** has a poor lane but he finished nicely as fourth in the last race and has two runs under his belt now after a long layoff. Good chance. **2 Olara Boko** took the lead in the last race and is our favorite for the front here too. He got defeated and did not trot well over the home stretch last time. Early choice anyway. **1 Modric** is quite good and has faced better horses than these but his form is a bit hard to predict. Where will he end up from here? **6 Jacta Brick** had a pretty good season last year and finished well in the last race as fourth. Now driven by Thomas Dalborg. Outsider.

**12 Lill Kagan** faces much easier horses than he is used to and we believe he has a good chance despite this number. Last time he got locked in as a big favorite. Revenge! **5 Global F.N.P.** won easily from the lead after a long layoff last time. Looked nice and is our favorite for the lead here too. Early choice behind our pick. **2 Bugatti M.I.** is a little better than the latest results show but the form is a little hard to predict. However, we always have respect for the Jepson/ Martinsson combination. Good lane. **7 Mr Gaagaa** has a tricky draw and is driven by the trainer-ridden, but he has done quite well against better opposition than this.

## RANK

**6 Deadly Map** is probably the best horse and should have a good chance in this field. But he gave up completely in the last V85 race and his form is a bit of a question mark. One horse or many! **5 Moni Talks** has galloped towards the end but has got a break and should be considered directly here. Good number and belongs to a stable in fine form. André Eklundh will drive this time. **7 Envies Goldneck** also had a pretty good season last year and is also coming back after a layoff. Makes his debut for Johan Svensson. Can open fast. **4 Rokka Tiger M.G.** is worth a warning. Won easily from the lead two starts back and finished well in the last V85 race. Now together with Kevin Oscarsson.

**6 Young** won six races last year and is our pick straight away after a short pause. Could take the lead after a while. We have a lot of respect for the Jepson/ Martinsson combination. **7 The Bank Account** is much better than the latest results show. The horse has competed a lot in the V85 and is going down in class here. Early choice. **12 Earnest** has earned most money and seems in good form. Can finish fast and hopes for high pace in the lead. Contender together with André Eklundh. **9 Zigzag Zagazoo** comes with two second places and is also in good form. Needs a bit of luck from this lane. Petter Karlsson is driving this time.
