1 Summit By Proxy has been improved and become more consistent compared to last year. This number one could be tricky but over the long distance, Mika Forss should find his way out in time. **10 Baltimore Broline** owns good capacity for this class but is a bit up and down too. However, he has high peaks and should he live up to his capacity, he will fight for victory. **11 All Wild Dreams** won easily last time and showed good form. **14 Roman Tile** was tough and scored a shared victory last time.

1 Sagredo Hanover followed well last time in a sulky race on an ice track. Better circumstances now with summer track and racing under saddle which he tested twice before with good results. Perfect conditions money-wise in the race and is also ridden by a good jockey. **9 Gazoline** meets easier opposition now and will fight for victory with the right journey. **8 Jerome Di Quattro** put in a strong wide finish last time and showed upward form. **3 Speedy K** makes an exciting debut under the saddle.

12 Black Bourbon got a tough trip last time. Before that, he had shown nice resources for the class he is in. He now also has a run under his belt and is being driven again by Leif Eriksson and they have good results together. **3 Rupie** has never been worse than third so far. The victory in the debut certainly came in an easier company, but the impression was good and here the opponents are quite mediocre. **1 Neiedermayer S. Boko** ended up too far behind last time but finished well a bit behind the winner. **9 Juventus** is better than shown at the end.

3 Guli Theo comes with two straight victories, is in top form and has shown that he can do it tough. Here he probably reaches the front and from there he won't be easy to beat. **10 Sjöli Morten** is a very gifted trotter who has scored six wins and was never worse than third in his twelve starts. **13 Lia Lykke** put in strong efforts without winning last year. Seasonal debut and driven by the trainer now. **11 Grim** was very good in his comeback last time and should be improved with that run under his belt.

1 Loveyouecus won in the lead last autumn and had not convinced at all, just like now. Nice conditions and has good capacity for this class. He is our pick in an open race. **7 Inge B.Svärlig** has not competed for a long time, but showed before his involuntary pause that he is a good horse for the V75. He looked nice in the last qualifier, but is certainly not in top form. **13 Gasoline Mearas** faces nice conditions and could pass all opponents here. **2 Barolo Gene** has been matched in tough company.

1 Lapland Iceman faces nice conditions with this short distance and the inner lane. He has taken six of totally seven wins from the lead and should have good chances to improve that statistic. **5 Donna As** prefers to run in the front too. She opens fast and tries to reach the front but risks having to do the job on the outside. **2 XOXO** has shown good form at the end and was close to going all the way last time. **10 Burn Notice** shows good form, but needs quick pace from here.
