RANK

4 Lekker has won four of her five starts. Tricky lane but gets an offensive journey and we can expect her to improve her record a bit. **7 Aramis** found the lead two starts back despite a handicap. Could reach the front again and from there this is the horse to beat. **5 Östby Max** followed alright in the last race. Should primarily be seen as a place bet. **6 Graffer** has taken his only win from the lead but finds it hard to get there now.

This is his debut behind the gate, but we don't think there should be any problems - good chance. **1 Take A Bow** has a good number and certainly reaches a nice position. Early contender. **8 Capo Lane** has not started since November but if the form is decent there is a chance of being in the mix. **3 Wise Surprise** got a run under the belt in the last race and will be improved.

1 Porter won from a similar draw in fine style two starts back. Then the four-year-old competed with an American bike for the first time and it will be the same equipment now. Our pick. **10 Sommarflörten** has got two runs under his belt and is starting to approach top form. In the mix in case of quick pace. **9 Windforce** might prefer to run in the lead but should not be discounted despite this lane in the second line. **6 Sharp Object** can open quickly behind the gate and should he manage to reach the front his chances will increase.

9 Jackson Cage N.O. galloped over the home stretch last time on the way to victory. Owns good strength and he will not be easy to resist during the final lap. **5 Xanthis J.R.** did well in the last race after an early gallop. Good form and could challenge for the win. **15 Ilex P.R.** scored a good win in the last race but has been a scratch since then. Tough and strong and normally in the mix. **4 Fira Vendil** has done well in three starts after a break and is possible with a perfect trip.

5 Bokli Leo kept up the pace well in the last race after an early gallop. Nice task and he should have the best chance to win in this otherwise wide open race. **4 Ei Lita H.M.** is coming off a win and if she repeats that effort she will be in the mix here too. **3 Hovs Rappen** has found fine form after his layoff and should be considered from a good draw. **12 Tjomsensin** did well against tough opposition in the last race. Going down in class but needs the right backs from this double handicap.

1 Henry Palema can open fast and should be able to hold the lead from this inner lane . In that position he has taken four of his six wins. Good chance. **4 Bys Rosy Nunc** has completed the seasonal debut and with that run under his belt he is good enough to be in the fight for victory. **5 Blue Frontline** is consistent and good. Dangerous with the right trip from behind. **7 Honey Dun Girl** is a quick starter and get an offensive start. Has to be considered if she reaches the front.
