**1 Nikki B.R.** has started the year excellently and already taken three wins. Met La Yuca last time at Årjäng. Easier now and nice task. Good chance to lead this all the way. **4 Petite Papillon** earned by far the most money last year and took eleven wins in 17 starts. Won the last race and is in good form. Challenger. **8 GG D'Asti** has started the season really well and already earned more than SEK 250,000. Early choice behind the favorite. **5 Mustang Valley** doesn't win very often but has many second places. Place bet.

**4 Finnskog Zizu** is our pick in this rather weak cold blood race. Scored a good win at Gävle in March and finished well as third in the last race after a slow start. **6 Solstad Herkules** has not won yet after twelve starts but been consistent and good towards the end. Will soon take his first win. **1 Nordby Eng** is also still without a victory. Has an excellent lane and will probably get a good trip. **3 Birk Gullmin** is not reliable but avoided a mistake in the last race and finished second. Good for this company.

**3 Ready for Cash** has taken two wins in five starts so far. Returns after a long layoff but has to be considered directly in this rather mediocre race. **5 MH Pocahontas** has two wins and three second places in 13 starts. Was fourth from the pocket in the last comeback race. Certainly better now. **4 Moneytalks** has not really lived up to the expectations at the end but should be considered early in this field. **8 Bob Wiking** has only one win in 16 starts. Has been consistent and good towards the end but needs a bit of luck from this difficult starting position.

**1 G.G. Garzon** was heavily backed in the debut and won comfortably. Has a nice lane here and should have a good chance again. **4 Ultima Royal** also won straight away in his debut. Slightly tougher draw than the favorite but is clearly an early challenger. **3 West Mont Blanc** has been quite consistent so far and could be a contender for a place bet here. **9 Lucky Luciano** is faces good conditions money-wise but has not won yet after eight attempts. Good place chance without a mistake.

**3 Björn Borksson** has a nice task here. He is coming off a superior win from the lead and certainly goes for the lead again. **10 Ros Venn** has won four out of eight races this year. Is in good form and has to be considered very early behind our favorite. **1 Hå Kaisar** took a good win on today's track at the beginning of May. Excellent draw and could cause a surprise. **11 Solan R.S.** earned the most money last year but has galloped in both races after a long layoff. His form is a bit hard to predict.

Good lane and early choice. **3 Jolin Southwind** has not won yet and will probably have a hard time challenging our top duo. Place bet. **6 Scandalous** did well as second in the last race and is also a contender for a place bet here.
