5 Giovanni Torkdahl comes from an outstanding win in the debut and seems to have extraordinary skills. Top chance here. 7 King Of Ten was very expensive and trainer Bent Olsen uses to have his horses well prepared before their debut. Possible challenger in that case. 6 Camar is a British import who is probably the stable's second pick. Place chance directly though in this debut. 3 Adelina Blue was clearly beaten by Giovanni Torkdahl in the debut. Will try to earn some money here.

1 Red Hunting Hawk comes from a strong performance in a Handicap 2 and was second to Negroamaro. Our winner here with a similar performance. 4 Sir Antonelli has shown quite good form so far this year and won on this track last year over these circumstances. 5 Kingof Pharoahs comes from a great effort and is developing well. Possible challenger despite tougher weight. 7 Negroamaro scored his third win in six attempts as an eleven-year-old. Tougher conditions today though.

2 Alakay met too good opponents in the last Swedish 2000 Guineas. Better task today and early contender in this open Petit Prix. 3 What A Life did not stand the distance in the last race. Won over these conditions two starts back though and should be on the way up. 9 Happy Feet has been matched against quite tough opponents this year and done alright. Early choice in this company. 1 Rikabo will probably try to reach the front directly here and will not be easy to defeat in that position. Should not be discounted.

1 Speedgirl comes from a convincing win in Valpreløb over these conditions and is our pick here with a similar performance. 4 East Meets West is not very young anymore but scored two wins last season. Nice task in this seasonal debut and early contender. 9 Dark and Stormy won in Aalborg and has put in two good performances after that. Jacob Johansen now and one out of many contenders. 3 Storm Wind is in quite good shape and these conditions are perfect. Apprentice again and typical outsider.

6 Tony Soprano won with ten easy lengths in the last race in Aarhus and this longer distance is no problem. Our winner. 4 Itoldyouso faces nice conditions in this seasonal debut and has won four times in seven attempts so far. 5 Precious has run one race on the Övrevoll dirt. Turf today is an advantage and she uses to meet tough opponents. Contender. 10 Northern Carlas is Nicolaj Stott's pick out of two horses and he comes from a strong seasonal debut finishing second to Go Go Dancer. Early challenger.

7 Silverflame has scored both wins this year over 2000 meter on this track and this longer distance could be an advantage. Top chance. 5 King Ferdinand is gifted but could not challenge in Danish 2000 Guineas and this longer distance is a question mark. 8 Lucien will probably go for the lead but needs to dictate the pace to stand this longer distance. Possible anyway here. 6 Bad Investment won in Mowerina race but met too good opponents in the Swedish equivalent. Mainly an outsider here.
