

C1 - PRIX DE DOUMY - 1600m (a1m) - TURF - Condition Race - Class 1 - Flat - EUR € 38.000

1. WALLY - Concedes weight to all but is ultra-consistent and boasts solid form references. Will be a factor

2. GOD BLESSING - Finished 7th in his only outing this year but is capable of doing better than that after a break. Respect

3. WOZZLE - Consistent, lightly raced colt with decent form credentials. More of a place chance than a winning one

4. MIRSKY - Capitalised on favourable conditions to make a winning reappearance and is capable of following up here. More to come

5. KILOECHO - Showed signs of improvement last time but must raise his game again to get a look in here. Outsider

6. PERSIAN ROYAL - Consistent for the most part and dangerous to dismiss in his first start on French soil. Not taken lightly

Summary : MIRSKY (4) revealed serious potential last year old before suffering a setback but showed he retains all his ability when making a winning comeback. He should improve for that outing so is taken to follow up here at the expense of reliable WALLY (1) who has the form and 'match' fitness to fight for victory. Given the uncertainty regarding their race readiness, GOD BLESSING (2) and PERSIAN ROYAL (6) have only minor roles to play.

SELECTIONS

- 3. LA BELLE POETE** - Was a promising 4th on debut and improved to finish 3rd at her next start. Should have more to offer
- 4. PICANES** - Finished a modest 7th on debut but is likely to improve with the benefit of that experience. Outsider
- 5. IHOA** - Unplaced in two of her three outings so needs to improve to get a look in here. Others preferred
- 6. BEST OF LIGHT** - Finished 4th on debut and filled that position again last time out. Can improve to get into the picture
- 7. QUEEN FLO** - Confirmed the promise of her debut 3rd by finishing 2nd last time. Should play a leading role here
- 8. YOLLILAL** - Runner-up in both starts behind exciting prospects. Needn't improve a great deal to go one better
- 9. GODAKA** - Gavin Hernon-trained Goken debutante to be ridden by Hugo Journiac. Best just to watch for now

Summary : YOLLILAL (8) wouldn't be winning out of turn having finished 2nd in both of her outings, so is given the nod here ahead of QUEEN FLO (7) who ought to mount a serious challenge if making further improvement after finishing 2nd last time. DAMIEN (1) was an encouraging 3rd on debut over this track and trip, so is likely to join that fight for victory with natural improvement expected. STORMYGO (2) and LA BELLE POETE (3) complete the shortlist.

- 5. DAIQUIBERRY** - Bounced back from a disappointing previous start to win last time out. Not incapable of following up
- 6. SALVA MEA** - André Fabre-trained filly who ought to confirm the promise of her debut (3rd). Sets the standard
- 7. PARADISIACAL** - Speedy filly likely to play a prominent role here, having finished 2nd twice and 4th last time. Respect

Summary : SALVA MEA (6) made an encouraging introduction at Chantilly and ought to improve with the benefit of that experience, so can open his account here at the expense of DAIQUIBERRY (5) who had a problem with his equipment during his only poor performance but has since set the record straight. PARADISIACAL (7) and MYCONIAN (1) have a lot of pace so cannot be discounted.

- 1. GOGUEN SPAISE** - Has shown commendable consistency since Day 1, including his last two performances at this level. Can get into the picture
- 2. TAYBET** - Didn't go unnoticed in his first start at this level recently but is probably more effective on a soft track. Place chance only
- 3. SEA BREAKER** - Rewarded for her consistency with a breakthrough victory last time and could make further improvement to stake a claim in her first Quinte+

- 8. AXIOME** - Runner-up to Ace Impact in his early days but has been somewhat disappointing since. Could have more to offer in a handicap, so warrants respect
- 9. I'M A BELIEVER** - Won a handicap two starts back and last time proved that he remains competitive despite going up 2,5kg. Place chance
- 10. AZKA** - Consistent and progressive sort who was only narrowly beaten at this level last time. Drawn wide but the booking of Christophe Soumillon will aid his cause
- 11. CHIAREGGIO** - Unexposed last-start winner. May lack experience at this level but has room for improvement so is dangerous to dismiss
- 12. OAK HILL** - Won in style at Argentan last time when beating a useful Wertheimer-owned rival. Can have a say if confirming that form here
- 13. GRECIAN BONANZA** - Model of consistency and is effective on all types of ground. Has run well at this level recently and should be competitive again

- 16. ZAHYANA** - Not at her best recently but did hold her own in very good races/company during the winter. Certainly capable of better and could ruffle a few feathers here

Summary : ZAHYANA (16) held her own in very good company late last year, so is certainly capable of better than the form of her two comeback runs suggest, and it could pay to follow her progress here off a workable handicap mark. OPIANA (5) has progressed this term and was not disgraced in her first Quinté+ outing last time so is capable of fighting for victory. AZKA (10) arrives in good shape at this level and is likely to play another leading role, which could also be said of GRECIAN BONANZA (13) who has solid form references. AXIOME (8) is a maiden but boasts solid form credentials and ought to make his presence felt too. CHASING THE SUN (4), with Mickaël Barzalona, and SEA BREAKER (3) are two useful strings to the bow of Henri-Alex Pantall.

Summary : In this Listed event, it could pay to side with MOON RAY (9) who is the only one in this field to have won at Group level as a two-year-old last season and showed signs of a return to that form last time out. She will, however, be seriously tested by the likes of VICIOUS HARRY (2) and DEMAINE (3, who finished in that order at Chantilly recently, as well as top-weight TALENTUOSA (1) who arrives from Italy with legitimate ambitions and solid form credentials.
