7 Trö Sirius qualified already in August as a three-year-old but makes his debut first now. Needs some racing luck here but should have a good chance directly. 4 Fia Med Knuff qualified already in October as a two-year-old. Interesting debut here and she should be considered early. 8 Järvsö Tora had a big lead in the last run but got caught at the end. Has to attack from behind now but should not be overlooked. 15 Guldhagens Oscar comes from a good second spot in the lead. Will soon score the first victory.

8 Deviljas Kloker is our pick in this tricky race. He got locked in with energy left after an inside journey two starts back. Could be ready for victory now. 12 Eskils Stjerna comes from a couple of good performances and was brave in the lead in the last run. In the mix with the right journey. 5 Norrlands Peggy galloped on the home stretch two starts back and was not defeated then. Is good for this class if she trots well. 3 Kringlers Edel is a bit up and down. She could cause an upset if she is at her best now.

3 Vega N.O. comes from two easy wins and time-wise she can certainly do even better than shown. She is our winner here. 8 Sonja Kiro put in a strong effort in the last Sleipner Cup-final for fillies and mares. Has not raced since then but should be considered. Can do it tough. 1 Lannem Stella scored seven wins in eight starts last year but has not been as good this season. Is probably the best horse in this field. 6 Kattelbo Kajsa scored a sensational win two starts back. Is more strong than fast. Outsider without a mistake.
