**8 Octavio Schermer** was in Sweden and Skellefteå last time after a couple of impressive performances in Norway and finished second. Was really good that time, but now he faces quite tough conditions. Is on the way up though and should have a good chance anyway. **12 Day To Make Love** has done well in a couple of starts in Norway. Should have a nice chance even if he won't run barefoot this time **10 Amador** has a run under his belt. Consistent. **11 Ma Cherie** is capable but not reliable.

She has a tricky position here, but should find room in time. **7 Solkongen** returned after a long layoff in the last race and should be further improved. **5 Stjerne Kompis** has quite good speed.

**4 Stjerne Jon** galloped in his debut, but did well as third in quite a good time. The horse could be improved by that run under his belt and in that case he has an excellent chance here. **14 Alfa Frost** is the main challenger based on his last race where he was improved a lot. He has shown the best speed in this field and this driver is an advantage. **6 Ravinas Rabagast** was nice in the last race and could become dangerous too. **8 Våler Lill** returns after a long layoff. Owns quite good capacity.
