**7 Mellby Joker** met the elite in the last race but couldn't handle the pressure by Hades De Vandel. Here the seven-year-old steps down in class considerably and normally he should have top chance these opponents. **2 O.P.'s Flawless** is a quick starter and prefers to run in the lead where the gelding has taken ten of the eleven wins of his career. **8 Donners Am** is still going strong as he put in a strong effort in the last Hot'n Cold race. **6 Load Master** has found good form with two runs under his belt.

**10 Sixten R.G.** has good capacity for this class but has not been at his best towards the end. This short distance and this handicap are not perfect, but now the four-year-old is driven by Ulf Ohlsson and they have earlier been successful together. **11 Grisle Galant G.L.** is used to face tough conditions and is an early contender in this company with the right journey. **7 Hallsta Ludde** can open quickly and is undefeated from the front so far. **9 General Japp** made a really good recovery in the last race. Should be considered earlier.

**6 Samedayasmilla** got a nice journey in the last race and won comfortably ahead of Azerbaijan. With that run under the belt, her form should be further improved as she had not competed for over two months before the last race. **1 Azerbaijan** has shown good form for a long time and is an early choice in this field. **8 Blaze Gold** has good speed and is getting closer to top form. **3 Catchtwentytwo** is consistent and good a bit behind the winner. Is a place bet but needs some racing luck.

**2 Bato Tösen** was brilliant in her comeback two starts back but did not convince last time which is worrying for her form today. The task is very appealing though as she enjoys the short distance and certainly finds the lead. **9 Björge** gave up from the lead in the final of Derbystoet but bounced back quickly in the last race and won by a wide margin. **4 Ängsfanny** normally likes tight starts and is quick from the start. Is driven by Djuse again. **7 Ängspuma** likes tight starts as well.

**4 Hunting Sober** has galloped towards the end but is normally reliable and has a high top level. The four-year-old is stepping down in class and if he avoids a mistake he should have a good chance of taking revenge. **3 Randy Zon** did well from the lead last time. Nice task but she will not only face mares like last time and maybe the stable companion is too tough here. **7 Warhol** owns very good capacity and, above all, good strength for this class. **2 S.Pura Vida** races barefoot and is a quick starter. Won the last race with the in-form driver Lilius.

**8 Paulie Walnuts** showed a lot of promise early in his career. Now he is back after a long layoff and even though the conditions are not ideal, he is the best horse in this field. **5 Dats Pepino** has shown good form for a long time and also been matched over tougher conditions. As the favorite for the lead he could be the horse to beat here. **4 Swish Soldi** uses to finish strongly and his form looks to be fine. **10 Sessan Of Man** is better than the latest results show and should not be overlooked in case of over-pace.
