4 Beacon Kronos did not trot well and galloped at the end in the final of Kungapokalen. He makes his comeback here and should have a good chance directly in this company. 6 **Don't be Weak** is the main challenger. He has been competing a lot in the V75 this summer and been consistent and good. 2 **Musett af Djupmyra** will run the second start after a long pause. Might need a couple of races to be at his best but should be on the way up. 5 **Mellby Granat** is good for this class and the horse is an outsider here.

5 Arverud Bonus is consistent and good and has been at least third in six out of seven races. 3 Woogie Broline won three out of five races last year. He has not convinced this season as a four-year-old but resumes from a break now and is well drawn. Our pick. 9 Staro Nessie has not raced since January. Is interesting and could get a nice journey with this number. She has to be considered directly. 10 Manolito M.I. was not as good in the last race as in the starts before. Showed 12.2/800 to finish fifth two starts back. 1 Pure Islet makes her debut for a new trainer here and this number is interesting. She should be followed.
