4 Nippon has run good times this autumn. He won in the lead last year and with this nice number he could win directly for the new trainer. 7 McEnroe has not been successful this year and galloped in two starts. He was very good when he scored an outstanding win as a four-year-old. Early contender here with a similar effort. 3 Crunchy won comfortably in the lead in Mariehamn last year and should not be overlooked in this debut for a new trainer. 1 Essyes Mazzanti is better than the latest results show. Outsider.

8 Harley K. finished well to third on Umaker in September and was just closely defeated by the top duo. He faces much easier opponents now and should have a nice chance. 1 Wallbase found room on the home stretch two starts back and finished well to a second spot. She could get a nice journey here and will be in the mix then. 9 Sally MacLennane came back well after a mistake under the saddle two starts back but three out of four wins have been scored in a sulky race. 3 Unique Findings has scored three wins in Östersund and should not be overlooked.

6 Veneer scored a good win for Magnus A Djuse on Bergsaker showing 1.13.4. That was a while ago but he does not have to be as good to win this. Our pick. 7 Nisse Raring has won in the front and from behind the leader. He can open fast and in this small field he could reach a nice position. 1 Kampala Kid was second in September and just closely defeated. Nice number and good conditions money-wise. 5 Song Lloyd has done well lately for the new trainer and could cause an upset.
