**7 Legacy P** is consistent and tougher than many of his rivals today. Morten Juul and Birger Jørgensen should always be followed and this four-year-old Ens Snapshot-son should have an excellent chance. **1 Gany** scored a good win in the last race, but that it was in June. He is coming back after a layoff and may need this race, but has shown good capacity. **10 I'm Vici** is possible too but needs some racing luck. **8 Mary Jane Kelly** has a poor lane. Owns good speed.

**5 Ferrari Gardenia** has been consistent and good most of the time. Not an easy task here but with the right journey the horse will finish fast. **10 Hillsborough** is 20 meter behind our pick compared to when they met on December 7th. Showed fine form as fourth last time in a slightly tougher field. Possible. **6 Bastian T** is very experienced and has earned over a million SEK. In the mix without a mistake. **7 Danger Dynamite** is an eleven-year-old filly who is really fast.

**9 My Spotify** has galloped in two straight starts and the form is therefore hard to predict. However, there is no doubt that the horse has enough capacity for this type of race. If he avoids a mistake, he has a good chance of victory. **3 Jeteye Boom Bay** is back after a layoff. Wasn't at his best in the last few starts but has good speed. Contender. **4 Hyacinth** likes this short distance a lot. **6 Huxie Sensei** comes from a strong win in the last race and could score another victory here.

Could be improved by that run under his belt. **3 Roberts Son B.B.** might prefer to race under the saddle, but is possible too here. **5 Geo** likes the short distance.
