- 3. AZAAN DE ROCHE** - Placed 3rd at Mont-De Marsan over 4450m in a Class 3 chase on December 7th. Capable but others preferred
- 4. PETRUS DE HOUELLE** - Ran well to be 5th in a Listed hurdle at Auteuil in early December, a win before that in a Class 3 hurdle at Nantes over 3500m on November 24th. Chasing bow and can score

- 6. MA FIERTE** - Unplaced last time, 4th before that over 3500m at Nantes on November 12th in a Class 2 hurdle. Second run over fences and others make more appeal

**Summary:** PETRUS DE HOUELLE (4) ran a good race when upped in class into a Listed hurdle at Auteuil in early December. He won previously over hurdles and looks like he has the scope to do well over the larger obstacles. He is given a marginal vote over INLANDSIS (1), who ran well to be second at this track in a Class 1 chase on December 20th. BEL ENJEU (2) has been running consistently and was a pleasing third in a chase at Auteuil in November.

- 9. JUNGLE VILLE** - Two unplaced runs recently, the latest over the track and trip in a Class 2 cross-country on December 16th. Opposable

**Summary:** KOUROUKOUKOU (1) won twice in early 2025 over the course and distance and was a recent fourth at this track in early December. He will be a lot sharper for that outing and is preferred ahead of ISAGIRL (4), who ran well over hurdles in December when third. She likes this track and trip and can not be overlooked. THEQUIETMAN (6) won over the track and trip before and can make the frame. AFFORTUNATO (2) is another to consider.

**Summary:** LEGOLAS TEK (1) has leading credentials despite having to concede weight to all of his rivals. He was a good third at this track in mid-December when last seen. EXCITING HUNT (10) could be the main danger. He has a few unplaced runs since a win on the flat in September, but remains capable.
