11 Spönsk can do it tough. This short distance is not an advantage but he is our pick anyway. 4 Rive Turbo scored a nice win in the seasonal debut. Early contender with a similar effort but he has earlier been a bit up and down. 2 Mantus did well from behind the leader in the last run. Should get a nice trip again and be in the mix. 7 Löset Teddy resumes from a short pause. Has galloped a lot lately but he has good speed for this class.

12 Asteroid is a US born three year old who makes his debut for Frode Hamre. Is working well but got a poor number. Has good speed though and is our pick. 1 Present Tile never got a real chance in the last race and we forget that one. Will find it hard to reach the front here but is an early contender with the right trip. 5 Frank The Tank won directly in the last comeback race. Tougher opponents now but he should be improved by that run under his belt too. 9 Saisirlejour Cox resumes from a spell. Got locked in with energy left on October 25. Outsider.

Could score the second win of her career here. 1 Fia Fantazia is not bad. Outsider directly in this first starts after a break.

Is in good shape and she will certainly go for the front here. 9 Fresh Pepper has started this year well. Tight starts now but if she handles that she should not be overlooked here. 1 Norah As does not win very often. 6 Harley D.E. is in great shape and deserves a victory soon. Finished strongly during the last 800 meter in the last run and is an early choice here with some racing luck. 4 Admiral Knick was too fiery in the last run but did alright. Will go for the front here and in that case he has to be considered. 1 Bestbyarsenal makes his debut for a new trainer. This number could be tricky but he should be followed anyway. 5 Orlando Classic got a tough trip in the last run. With a better journey he is an outsider here.

8 Reime Kongen has started this year with three wins and convinced a lot. Found a position outside of the leader with 1200 meter to go in the last run and won easily. Top chance despite this number. 6 Alsaker Pumbaa finished well to fourth behind our pick in the last race. Is in good shape and could be in the mix again here. 5 Komnes Bork comes from victory and is in good shape. Tougher opponents now but could score a place here too. 7 Möller Tor is better than the latest results show. Outsider if he lives up to his capacity.

1 Cash D.E. is very interesting in this debut. Could not find the lead with this number one on Solvalla on December 4 and he is not a banker for us here. 8 The Baron is working well and should be considered directly in this seasonal debut. Early choice behind our winner. 2 Gone Dancing won comfortably from second on the outside in the last run. Should get a nice trip again and is possible with a similar effort. 5 Chuck Yeager scored a good win on the home stretch in the last run. Possible outsider here with the right journey.
