## RANK

**8 Karlo Molar** galloped as the big favorite in the last race but came back well to a fourth place. Started with two wins in a row and should have a good chance without a mistake. Banker. **9 Galdur** is seven years old but has only started three times. Has done well so far and is a contender behind the favorite. **11 Khan Sotto** is poorly drawn but comes with two pretty good second places. Early choice behind the favorite. **3 Kuarato Heot** has good speed and is better than the latest results show. Could cause an upset.

## RANK

**7 Dontgetinmyway** won at this track on February 17th and beat several of today's opponents then. He has won five of twelve races and should have a good chance again here. **2 Otis Dragon** was second in the same race and is obviously looking for revenge. He has a better draw than the favorite and that could be decisive. **10 Jumanji S.H.** has two wins in a row but has got a short layoff. Early choice if well prepared. **1 Godawdo** was third behind our top duo in the last race. He is fast from the start and will probably get a good trip from here.

## RANK

**8 Jacks Cross** is poorly drawn but should have top chance here. He has two wins in a row and beat several of today's opponents. Certainly gets an offensive trip here. **7 Julia Doctor** is trained by Flemming Jensen but driven by Anders Pedersen here. Was fifth behind the favorite in the last race and is looking for revenge. Above all, she owns good strength. **1 Izabella Nordic** is stable companion to the latter horse and Kasper K. Andersen is the driver now. The horse comes with three poor results but has won six of 15 races. Interesting draw. **2 Diamante Sotto** is quite consistent and good and has an excellent lane. Could be a place bet.

## RANK

**2 Juventas** gets the tip. He has five wins in 14 starts and seems in very good form. Has an excellent draw and will probably chase the lead together with Kenneth Andersen. Good chance in that case. **7 Röde Orm** has a difficult lane but should be considered early on. He galloped in the last race but had done well before that. **6 Herbert L.M.** has been galloping at the end and in the last race he made a break in a clear lead and probably on his way to victory. Of course he is looking for revenge here. **5 Infinitive** doesn't win very often but is consistent and good. With the right journey he is a contender behind the favorite.
