RANK

7 Let Me In failed in the last race but is a lot better than that. Barefoot now is a big plus. He should have the best chance to win this race. **2 Utah Southwind** did alright in the seasonal debut and that race has probably improved the seven-year-old's form a lot. Should be considered from a nice starting position. **5 Gaitling** makes an exciting debut for this trainer Karl O Johansson. Should not be underestimated even if he might need this race. **8 Bourbon Brodde** is more strong than fast and would benefit from high pace.

RANK

5 Listas Champagne has been in tough companies towards the end and done well. He is going down in class now and should have a good chance of passing all opponents during the final half lap. **9 GR Tintin** comes back after a break, but is normally good for this type of opposition. Early challenger. **1 George S.H.** took two wins in a row in July, but hasn't really been as good since then. He has one out of one over this distance and should be considered. **11 Qojak V.W.** did well as fourth in the last race. Got locked in before that and the form is better than the results show.

RANK

11 B.B.Kläbo has already won three races this and comes to Sweden in absolute top form. Quick horse who should have a good chance. **9 Lillprinsen** was not at his best in the last race but had shown great capacity before that. He is good enough to challenge for victory - even if the distance is probably a bit short. **13 Storm Jokern** makes an exciting debut for Göran Antonsen. He will be in the mix if he avoids a mistake. **2 Fakså Ö.K.** comes from victory and is the horse with highest capacity in the first circle.

9 Sunset Sky is working well before this mini comeback. Tricky starting position here, but with the right journey he is good enough to pass the whole field during the final lap. **10 Great Old Dance** comes back after a pause and even though his form is not top, he should be considered. **8 Hopefully** took two wins in a row last autumn and has the potential to be in the mix here. **1 Intercooler** got a run under his belt in the last race and will be improved to this race.
